President's Message

A union collective agreement is like a Charter of Rights. It explains, protects and guarantees your rights on the job. It stipulates the wages you must be paid, the benefits you must receive. It puts down on paper your right to dignity and respect at work.

It is important that you know your rights, the wages and benefits you are entitled to receive. Please take the time to read through this agreement. If you have any questions about it, talk to a shop steward in your workplace—or phone your full-time union representative. They are also the people to talk to if you feel the rights and benefits outlined in this document are not being provided to you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Traeger". The signature is stylized with a long horizontal line extending to the right.

Jeff Traeger,
President UFCW Local 832

AGREEMENT BETWEEN:

SOBEYS WEST INC., a body corporate carrying on business in the Province of Manitoba, hereinafter referred to as the "Company"

AND

UNITED FOOD AND COMMERCIAL WORKERS UNION, LOCAL No. 832, chartered by the United Food & Commercial Workers International Union, hereinafter referred to as the "Union".

WHEREAS: The Company and the Union desire to co-operate in establishing and maintaining conditions which will promote a harmonious relationship between the Company and the employees covered by this Agreement, to provide methods for fair and amicable adjustment of disputes which may arise between them and promote efficiency and improved operations,

NOW, THEREFORE, THE UNION AND THE COMPANY MUTUALLY AGREE AS FOLLOWS:

SECTION 1 NATURE OF THE BARGAINING UNIT

1.01 a) The Company recognizes the Union as the sole agency for the purpose of collective bargaining for all employees, whether full-time or part-time, coming under the provisions of this Agreement, employed in the stores owned and/or operated by the Company in the Province of Manitoba, save and except one (1) Store Manager per store, one (1) First Assistant Store Manager per store, **one (1) Health and Wellness Counsellor per store, one (1) Registered Dietician per store**, one (1) Pharmacy Manager per store, Graduate and Undergraduate Pharmacists, Registered Pharmacy Technicians if and when the Province of Manitoba enacts such a designation, and those currently excluded as of November 15, 1998.

b) Any existing employee newly appointed to the position of Produce Manager, Food Service Manager (or Meat Manager, Deli Manager if the Company creates these departments in which case the Food Service Manager classification would cease to exist), Bakery Manager, or Second Assistant Manager on or after March 30, 2014 will be excluded from the provisions of this Agreement. During a thirteen (13) week trial period (from the date of appointment) the Company will have the right to revert the employee to their former position or the employee may choose to revert to their former position in the bargaining unit with no impact on their seniority.

c) It is understood that any Section in the Agreement that references employees in positions that are excluded applies to only those employees **as of March 17, 2018** who remain covered by the provisions of this Agreement and not to those employees who are under sub-section 1.01.

d) Notwithstanding sub-section 1.02 of the Agreement, demotions from the position of Produce Manager, Food Service Manager, Bakery Manager, Meat Manager, Deli Manager or Second Assistant Manager will be based on cause and will be subject to grievance and arbitration procedures.

1.02 In respect to Meat Managers, Bakery Managers, Produce Managers, Second Assistant Managers, Floral Managers, Food Service Managers, Coffee Bar Operators, Service Meat Counter Operators, Deli Managers, Lead Hands (one (1) per store), Management Trainees and Order Writers (limit of one (1) per department) (for the purposes of this Section only, Deli and Meat are considered separate departments), it is agreed between the Company and the Union that the Company shall retain the sole right and function in respect to transfers, promotions and demotions and the Union agrees that transfers, promotions and demotions in respect to bargaining unit employees referred to in this Section shall not be subject to any arbitration as provided for in Section 27 of the Agreement.

1.03 In the event the Company creates new departments in the stores, Department Managers will be included in the

bargaining unit and covered in every respect by all the Sections of this Agreement. In the event the Company creates new departments within the stores, the Company and the Union agree to meet to negotiate rates of pay for all employees in the department specific to the new department. In the event agreement cannot be reached, at the request of either party, the matter may be referred to arbitration in accordance with the arbitration procedure of the Collective Agreement.

Upon the appointment of a Department Manager for a new department, the Union and the Company shall meet forthwith to negotiate a rate of pay and if an agreement cannot be reached, at the request of either party the matter shall be arbitrated, utilizing the arbitration provisions of this Agreement.

In the event the Company creates a different Management structure within a store, the Company and the Union agree to meet and discuss whether a new Management position of higher rank than those excluded Department Managers referred to in sub-section 1.01 b) should be excluded from the Collective Agreement. In the event agreement cannot be reached, at the request of either party, the matter may be referred to arbitration in accordance with the arbitration procedure of the Collective Agreement.

1.04 It is agreed that where jointly-trusted benefits exist between the Company and the Union, contributions will be made only on behalf of those who are members of the Union and those who become members of the Union.

1.05 In Winnipeg only, employees not assigned hours of work by a store, as set out in sub-section 5.10, or who work in more than one (1) store in any one (1) week, will be assigned hours of work by Division Management. The Company will assign as few employees in this manner as is necessary to operate efficiently.

1.06 **Interpretation**

- (a) Whenever the word "Agreement" is used in this document, it shall mean this Collective Bargaining Agreement.
 - (b) Whenever the word "part-time" is referred to in this Agreement, it shall include part-time employees and Courtesy Clerks, unless indicated otherwise.
- 1.07(a) Seniority Zone One shall be referred to as the City / Town where the employee works (except Selkirk which is deemed part of Winnipeg).
- (b) Seniority Zone Two shall be referred to as the geographically nearest next Sobeys West Inc. store outside their City / Town.
 - (c) Seniority Zone Three shall be referred to as anywhere else in the Province after Seniority Zones One and Two have been exercised.

1.08 In the event Sobeys West Inc. decides to convert an existing store or open a new store under a new or an existing banner, that store shall be covered by the terms and conditions of this Collective Agreement.

In the event Sobeys West Inc. converts an existing store or opens a new store that is a limited service discount model (e.g. no bakery or full-service meat counter), the Company and the Union will enter into negotiations to develop the terms and conditions for that store that shall form an Appendix of this Collective Agreement. Should a dispute arise as to the terms and conditions of the new Appendix, the terms in dispute shall be referred to a binding arbitration process.

1.09 Small Kiosks

The operation of up to three (3) third party kiosks per store, such as those selling sushi, specialty/ethnic meats and Asian cuisine, etc., may be carried out by third parties and persons excluded from the bargaining unit. However, the work performed by such persons shall be limited to the tasks pertaining to such kiosks.

2

SECTION 2 UNION SHOP

2.01 The Company agrees to retain in its employ within the bargaining unit, as outlined in Section 1 of this Agreement, only members of the Union in good standing. The Company shall be free to hire or rehire new employees who are not members of the Union, provided said non-members, whether part-time or full-time, shall be eligible for membership in the

Union and shall make application on the official Membership Application form within ten (10) calendar days from date of hire or rehire and become members within thirty (30) calendar days.

2.03 The Company agrees to forward a Membership Application duly completed, to the Union within ten (10) calendar days from date of hire or rehire of an employee. The Union shall bear the expense of printing and mailing the Membership Application, the contents to be such that it is acceptable to the Company.

2.04 No employee shall be discharged or discriminated against for lawful Union activities, or performing services on a Union committee outside working hours or for reporting to the Union the violation of any provisions of this Agreement.

2.05 The Union shall be provided with the following information once per four (4) or five (5) week period:

 - 3) A list of full-time employees reduced to part-time;
 - 4) A list of status changes (for example going from Courtesy Clerk to Sales/Service Clerk) and Department Manager appointments with store number, distribution code and effective date.

2.06 The Company agrees, **twice** per year upon request from the Union, to provide the employee's Social Insurance Number, hourly rate of pay, address **and employee number**.

2.07 The Company agrees to provide the above information to the Union in a computer usable form or electronic medium as determined by the Company. The Union is responsible for any conversion required in the event the medium is incompatible with their system.

2.08 **Orientation**

A Shop Steward designated by the Union will be allowed to introduce themselves to new employees either on shift or off shift. Such time will be permitted after notifying the manager or supervisor, will not exceed ten (10) minutes and shall not unduly interfere with the employee's regular duties.

A Union Representative shall also be entitled to attend any such meeting. This meeting is expected to take place during the employee's first scheduled work week. The Shop Steward or Union Representative may request from the Store Manager a list of new hires each week. Such list will be provided in a timely manner.

SECTION 3 DEDUCTION OF UNION DUES

3

3.01 The Company agrees to deduct from the wages of the employee such Union dues and initiation fee as are authorized by regular and proper vote of the membership of the Union. The Company further agrees to deduct the Union dues automatically from the wages of new or rehired employees' first paycheque(s). Monies deducted during any month shall be forwarded by the Company to the Secretary-Treasurer of the Union by direct deposit within twenty (20) calendar days following the end of the Company's four (4) or five (5) week accounting period and accompanied by a four (4) week or monthly electronic remittance of the name, Social Insurance Number and store number of the employees for whom deductions were made and the amount of each deduction.

4

SECTION 4 PROBATIONARY PERIOD

4.01 New employees shall be on a probationary period for two hundred and forty (240) hours worked. The Company, at their discretion, may discharge any probationary employee within the above time limit and said employee shall have no recourse to the Grievance and Arbitration Sections of this Agreement. 5.04 In a week in which the Company observes two (2) General Holidays, the basic work week for full-time employees shall be twenty-two and one-half (22½) hours.

5.05 Full-time employees will not be required to work more than two (2) evenings per week, when the store is open for evening shopping, unless they are willing to do so.

5.06 Employees shall have a minimum of ten (10) hours off between scheduled shifts, unless otherwise mutually agreed between the Company and the employee.

5.07 **Express Check Stand**

Employees will not be required to work in the express check stand for longer than four (4) hours in any one (1) day except in the case of an emergency or by mutual agreement between the employee and the Company. There will be a five (5) minute leeway to complete the order of a customer and/or the transfer of the cash register to another employee.

5.08 No employee will be assigned to an automated checkstand more than six (6) hours in any one (1) day except by mutual agreement between the employee and the Company.

The Company agrees to meet upon request to discuss issues relating to accommodation in and access to this area.

5.09 The Company will schedule full-time employees two (2) consecutive days off (Saturday/Sunday OR Sunday/Monday) once every four (4) weeks, except in the week of a General Holiday. The Company shall schedule full-time employees an equal number of Saturday/Sunday or Sunday/Monday combinations off (minimum of four (4) Saturday/Sunday combinations) over the year providing the employee is desirous of same. Should a full-time employee prefer to have some other days off at the time he/she would normally be scheduled for two (2) consecutive days off, as set out above, the employee shall advise the Company, in writing, by Thursday of the preceding week and, in such an event, the employee will forfeit his/her two (2) consecutive days off in that four (4) week period.

Provided the full-time employee advises the Company, in writing, at least one (1) month before the commencement of his/her vacation, the Company agrees to schedule one (1) of the employee's Saturday/Sunday or Sunday/Monday combinations to coincide with the employee's vacation, once per year.

5.10 **Posting Work Schedule**

Each week thereafter the current schedule will be removed and replaced with another schedule for the week following the week already posted. There will always be two (2) consecutive one (1) week schedules posted on the bulletin board.

Requests for time off must be received by Tuesday noon prior to the schedule covering the affected days being posted except in extremely unusual circumstances.

This system of posting schedules shall continue unless the Union and the Company mutually agree to revert back to a one (1) week schedule at a time, or to amend it.

- (ii) The Company shall post weekly schedules for full-time and part-time employees as indicated above in sub-section 5.10(1)
 - (i) no later than Thursday, 6:00 p.m. (no later than Friday noon during the week of a General Holiday) of each week for the week after for the following week. The Company has the right to call in other part-time employees, not previously scheduled to work, if required

by the business, as indicated in sub-sections 9.04 and 18.14.

2. The schedule of employees working full-time may be changed without notice in the event of an unscheduled absence of employees or in the event of emergencies, such as snow storm, flood, breakdown of machinery, or other instances of force majeure. In all other cases, at least forty-eight (48) hours' notice of change must be given, or four (4) hours' additional pay, at the straight time rate, in lieu of notice.

The foregoing shall not apply to employees other than full-time. Notice to such other employees shall be given as far in advance as possible, by the Company.

Any authorized absence of four (4) hours or less in any one (1) day will either be paid from the employee's vacation entitlement or taken as an unpaid personal leave of absence at the employee's discretion.
- (5) All individual days of vacation must be scheduled or taken by October 1st of each year. Those days that are not scheduled or taken by October 1st will be scheduled by the Company at its sole discretion.
- (6) In the event that an employee has scheduled an entire week off on the vacation schedule but has less than a full week of hours remaining in his/her vacation entitlement, he/she may request to take off, without pay, the portion of the week for which

he/she does not have paid vacation entitlement for. Alternatively, the employee can request to be scheduled for the portion of the week for which he/she does not have paid vacation entitlement for. In either alternative, these requests will be approved at the sole discretion of the Company.

- (7) Full-time employees shall receive their vacation pay as part of their regular payroll cycle.

When urgent health and safety issues arise between the quarterly meetings and are presented to the Company or the Union, the Company will respond to the issue, or will convene a Health and Safety Committee meeting.

The Union or any employee may bring to the attention of the Company any health and safety concerns and such issues will be addressed by the Committee. The Company will act as promptly as reasonably possible in responding to any health and safety concerns raised.

The Company will endeavour to schedule Health & Safety Committee meetings during the scheduled work shift of the Committee members. Where this is not possible, employees on the Committee will be compensated at their regular rate of pay for time spent in the meeting. 16.03 The Union Representatives shall not discuss grievances with the Store Manager. Such matters shall be presented to the Company in accordance with the provisions of Section 26 of this Agreement.

16.04 Union Representatives shall be permitted to review the hours of work schedule and in the event of any discrepancies, they shall be presented under Section 26 of this Agreement.

SECTION 17

LEAVES OF ABSENCE

17

17.01 The Company agrees to allow time off work without pay for up to **twelve (12)** employees in the bargaining unit, **who are** elected to attend Union conventions or designated to attend negotiations, or to attend Union business, for a period of not more than fourteen (14) calendar days.

The Union will give the Company a minimum of two (2) weeks' notice in regard to such requests.

17.02 Any employee with one (1) year or more of service with the Company may request a leave of absence, without pay, of up to four (4) weeks. The request shall be made in writing, giving full details, and same shall be considered by the Management on an individual basis. The granting of such requests shall not be unreasonably withheld by the Company.

17.03 Upon two (2) weeks' prior notice in writing from the Union, the Company agrees to grant a leave of absence of up to one (1) year to a maximum of one (1) employee per Seniority Zone who is elected or appointed to a full-time position in the Union. Such leave of absence shall be without pay or other benefits. The Union agrees to notify the Company at least two (2) weeks in advance of the employee's return to work for the Company.

17.04 **Maternity Leave/Parental Leave/including Adoption Leave**

A. **Maternity Leave**

A female employee shall be granted a maternity leave of absence by the Company. Said employee shall be re-employed by the Company after the birth, and must do so within seventeen (17) weeks unless she is entitled and so chooses to take parental leave immediately following her maternity leave.

In cases of a disabling medical condition, the employee may request an extension of her leave of absence up to but not exceeding an additional twelve (12) weeks, provided such request is accompanied by a Doctor's Certificate setting out the nature of the condition.

Accumulated paid sick leave and/or Plan 1 Weekly Indemnity Benefits required because of a disabling medical condition directly attributable to pregnancy, shall be granted to qualified employees under the same conditions as these benefits are granted to other disabled employees who qualify under the terms of the Plan(s).

B. Parental Leave / Adoption Leave

- (a) who,
 - i) in the case of a female employee, becomes the natural mother of a child,

(2) Commencement of Leave

Except as indicated below, parental leave must commence no later than the first anniversary date of the birth or adoption of the child or of the date on which the child comes into the actual care and custody of the employee. Parental leave for natural mothers must commence immediately on the expiry of maternity leave, unless the Company and the employee agree otherwise.

(3) Late Application for Parental Leave

When an application for parental leave under sub-section (1) above is not made in accordance with sub-section (b), the employee is nonetheless entitled to, and upon application to the Company shall be granted parental leave under this Section for the portion of the leave period that remains at the time the application is made.

C. **Reinstatement of Employee**

- (1) An employee who wishes to resume employment on the expiration of any of the leaves granted in accordance with this Section shall notify the

Company in advance of not less than three (3) calendar weeks of the day he/she intends to return to work. The employee shall be reinstated in the position occupied by him/her at the time such leave commenced, or in a comparable position with not less than the same wages and benefits. In the event that an employee takes only maternity leave, said employee must provide the Company with a Doctor's Certificate certifying her to be medically fit to work.

- (2) Seniority will continue during the leave and benefits accumulated prior to the leave will be maintained and not paid during the leave, except that employees who qualify under Plan 1 may elect to continue to pay the premium themselves during their leave.

17.05 The requesting and granting of leaves of absence shall be in writing.

17.06 **Family Responsibility Leave**

In the event of an illness or injury occurring to an employee's spouse, parent or child, an employee may request, and if so, shall be granted a leave of absence or absences which shall not exceed five (5) days of unpaid leave in total per calendar year. The purpose of this leave shall be to enable the employee to attend to the needs of their ailing spouse (including common law spouse), parent or child (including stepchild). The Company will be given as much notice as possible in such events.

17.07 **Compassionate Leave**

The Company agrees to grant time off consistent with the Compassionate Leave provisions of the Manitoba Employment Standards Code.

17.08 **Domestic Violence Leave**

Employees who are victims of domestic violence will be entitled to Domestic Violence Leave in accordance with The Employment Standards Code (Manitoba) as of March 25, 2018.

SECTION 18 SENIORITY

18

Full-time

18.01 Seniority for full-time employees shall be defined as “the length of continuous service with the Company within Seniority Zone One as a full-time employee”.

The Company and the Union agree that when a full-time employee is transferred to another Seniority Zone, or is eligible under the terms of this Agreement to exercise his/her full-time seniority outside his/her own Seniority Zone, he/she shall carry his/her seniority with him/her. This subsection is effective November 15, 1998 and is not retroactive for events that occurred prior to November 15, 1998.

18.02 Seniority shall be considered broken and services terminated if an employee:

- (1) is duly discharged by the Company and not reinstated through the Grievance and/or Arbitration procedure of this Agreement;
- (2) voluntarily quits or resigns;
- (3) has been laid off continuously for a period of more than six (6) months or is called back to work after a lay off and does not return to employment within the time as set out in sub-section 18.04 (2);
- (4) is absent from work without a written leave of absence, unless a satisfactory reason is given by the employee. Sickness or inability to communicate with the Company shall be considered a satisfactory reason;
- (5) fails to return to work on the completion of an authorized leave of absence, unless a satisfactory reason is given by the employee. Sickness or inability to communicate with the Company shall be considered a satisfactory reason.

18.03 Unless merit, fitness and ability of an employee is greater than other employees regularly working full-time involved, length of continuous service with the Company within Seniority Zone One shall govern in cases of promotions.

Seniority with the Company within Seniority Zone One shall govern in case of layoff, reduction to part-time

employment and rehire, providing the employee involved has the ability to perform the normal functions of the job required.

18.04 Employees regularly working full-time laid off or reduced to part-time in accordance with the above provision by the Company shall be recalled to work in order of length of service with the Company, provided:

- (1) no more than six (6) months has elapsed since the last day worked by the employee, and
- (2) the employee reports for duty within twenty-four (24) hours from time of recall, and
- (3) the employee is capable of performing the work.

18.05 Employees regularly working full-time, rehired within six (6) months of their lay off, shall retain their previous length of service for the purpose of this Section.

18.06 The six (6) month and twenty-four (24) hour deadlines contained in sub-sections 18.04 (1) and 18.04 (2) above, respectively, shall be extended if upon recall an employee is unable to report due to illness or accident. Any extension granted shall only be for the duration of the illness or incapacity from accident and the Company may require the employee to provide written confirmation from a Doctor of such illness or accident.

18.07 In the event an employee's status changes from full-time to part-time either at the direction of or with permission of the Company, his/her seniority date would be his/her part-time seniority date effective at the time of the appointment to full-time.

When an employee's full-time status is changed to part-time status due to circumstances of maintaining an efficient operation, subject to sub-section 18.03, it is understood that such employee shall first be given an opportunity to return to his/her previous full-time job in his/her classification.

18.08 The Company agrees to give one (1) week's notice prior to changing an employee's status from full-time to a part-time basis.

18.09 The Company, when reducing hours of work in a store, agrees they will not reduce the regular scheduled hours of a full-time employee for the purpose of replacing such hours with part-time help.

18.10 **Part-time Seniority**

- (a) Seniority for part-time employees shall be defined as the length of service with the Company within Seniority Zone One from the employees date of promotion to part-time from Courtesy Clerk or if hired directly as a part-time employee since the employees most recent date of continuous

employment as a part-time employee. Part-time employees will have seniority within the part-time seniority list in the store, subject to sub-sections 18.22 and 18.24.

- (b) Seniority for Courtesy Clerks shall be defined as the length of service with the Company within Seniority Zone One since their most recent date of continuous employment as a Courtesy Clerk. Courtesy Clerks will have seniority within the Courtesy Clerk seniority list in the store, subject to sub-sections 18.22 and 18.24.
- (c) The exercise of seniority by part-time employees and Courtesy Clerks shall be subject to the other applicable Sections in the Agreement.

The Company and the Union agree that when a part-time employee is transferred to another Seniority Zone, or is eligible under the terms of this Agreement to exercise his/her part-time seniority outside his/her own Seniority Zone, that he/she shall carry his/her seniority with them. This Section is effective November 15th, 1998 and is not retroactive for events that occurred prior to November 15, 1998.

- (d) **Maximum Hours for New Hires**
 - 1) New part-time employees hired after April 1, 2002 will not be scheduled more than thirty (30) hours per week.
 - 2) Effective June 1, 2014 the most senior one half (1/2) of all part-time employees (excluding Courtesy

Clerks and Coffee Bar employees) in their specific Seniority Zone (Winnipeg/Selkirk, Thompson, Brandon, etc.) will not be subject to 1) above. This group of part-time employees will be included in a name list that will remain in effect until the next calculation occurs.

- 3) The calculation will be done four (4) times per year at the same time as the full-time ratio as per sub-section 7.02.
- 4) Notwithstanding the above, employees who are restricted by the thirty (30) hour cap may volunteer to be scheduled on Sunday in excess of the thirty (30) hour cap.
- 5) If an employee bids for and is successful in attaining a full-time job under sub-section 18.21 he/she will be entitled to work thirty-seven (37) hours per week.

18.11 Part-time employees shall not be employed or scheduled to the extent that it results in the displacement or prevents the hiring of full-time employees.

18.12 a) When a part-time employee works or is paid the basic work week for thirteen (13) consecutive weeks a full-time position shall be deemed to have been created, and shall be filled within Seniority Zone One according to sub-section 18.21. This shall not apply to part time employees who are relieving due to maternity, paternity, adoption, sick leave, WCB, Union

leave, any other authorized leave of absence or other employees assigned for a specific project or group of assignments. In such cases, it is the intent of the Company to notify the Union in advance of the start date of the assignment or project along with a list of the employees and the anticipated duration.

b) Notwithstanding this Section the Company will be under no obligation to fill jobs in excess of the minimum ratio referred to under Section 7.

18.13 a) In scheduling or calling in part-time employees hired or promoted on or after April 1, 2002, preference in the amount of available hours of work in a week shall be given to senior part-time employees within the department insofar as this is consistent with their availability and willingness to perform the work, providing they have the ability to perform the normal functions of the job. If a senior part-time employee refuses to work a shift scheduled by the Company, the Company may, at its discretion, give the next employee in line of seniority the available hours for that week. This shall be intended to mean that the senior part-time employee is to be offered and/or receive more hours than junior employees, unless an employee is unavailable to work said hours. It is not intended to permit the Company to schedule most employees the same number of hours of work.

b) In scheduling or calling in part-time employees (except Courtesy Clerks) hired or promoted before April 1, 2002, preference in the amount of available hours of work in

a day shall be given to senior part-time employees within the department insofar as this is consistent with their availability and willingness to perform the work, providing they have the ability to perform the normal functions of the job.

18.14 **Call-in time** Call-in time is defined as any time four (4) hours or more are required to be worked, which do not appear on the regular schedule either due to business conditions or the non-scheduled absence of employees.

A call-in on any day will be allocated to the senior employee in the job in the department who is capable of performing the normal functions of the job:

- a) who is not working on the same shift and has not worked eight (8) hours on that day;
- b) who is willing to perform the work and can be contacted with regard to the work;
- c) such allocation will in no event result in overtime.
- d) Employees who are part-time will be offered a call-in, when available, on the sixth (6th) day in a week.

18.15 The Company agrees to schedule, to the extent that it is practicable, fifty (50%) percent of part-time employees who are required by the Company and who are available to be scheduled in a week in the store, exclusive of Courtesy Clerks, a minimum of twelve (12) hours per week.

18.16 **Declaration of Availability** All part-time employees are required to complete an availability form (including Courtesy Clerks). This form would indicate the following information:

- the days the employee is available to work;
- whether the employee does not wish to take call-in shifts.

The Declaration of Availability for each employee shall be made by noon of the second Tuesday of each four (4) week accounting period for the following four (4) week accounting period. If an employee fails to change his/her Declaration of Availability by Tuesday noon, the existing Declaration of Availability previously on record for this employee shall be automatically renewed for the four (4) week accounting period.

This Declaration of Availability shall be in triplicate form with one (1) copy given to the employee, one (1) copy mailed to the Union office every four (4) weeks, one (1) copy retained by the Store Management and a copy made available to the Shop Steward upon request.

18.17 **Minimum Acceptable Availability for all Part-time Employees**

- (a) Totally available on Saturdays;
- (b) Available two (2) or more shifts in a week. A shift

is defined as a shift regularly scheduled by the Company until the close of the department at the time the employee fills out his/her Declaration of Availability. The Company agrees that if a change occurs on the regularly scheduled shifts that affect an employee's availability, he/she will be given an opportunity to amend the Declaration solely to adjust for that change.

- (c) As an alternative to (a) and (b) noted above, the minimum availability for part-time employees will be either totally available on Saturdays and Sundays OR totally available for shifts on Monday through Friday. A shift is defined as a shift regularly scheduled by the Company until the close of the department at the time the employee fills out their Declaration of Availability. An employee who wishes to elect an alternate restriction under this sub-section must provide the Company a minimum of four (4) weeks' notice and must commit to no change in their Declaration of Availability for a period of twelve (12) consecutive weeks. The Saturday and Sunday unavailability alternative is not available during the months of June, July and August.
- (d) An employee's Declaration of Availability will not prevent an employee from obtaining an occasional Saturday off or requesting a day(s) off during the period that they have declared themselves previously available. The employee's request shall be for bona

vide personal reasons (e.g. Students writing exams, child care arrangements, family responsibilities, illness, injury or leave of absence).

18.18 The Company agrees that it will not schedule an employee outside of the period that the employee indicated they were available to work (as in sub-section 18.16) unless the employee has agreed to same or except as follows below:

In the event that the Declaration of Availability of the employees in the store results in insufficient qualified employees to staff the store on a given day, the Company agrees to notify the Union of the deficiency. The Union agrees to cooperate to seek a remedy and solicit the cooperation of the employees. If the parties are not able to resolve the shortage, the Company will have the right to schedule sufficient qualified employees outside of their availability in reverse order of seniority provided that at least seven (7) days' notice is given to the affected employee(s).

18.19 Hours scheduled to train a new employee or Courtesy Clerk or employee who have been reviewed for a new job will not be counted for the purpose of exceeding the maximum hours for employees established under sub-section 18.10 (d) and Courtesy Clerk weekly hours to a maximum of two (2) weeks per calendar year per employees and to a maximum of four (4) weeks per calendar year per employees for training in the Meat, Bakery Production, or Pharmacy Assistant/

Pharmacy Technician. Such scheduling of training hours shall be scheduled on the condition that such training hours are hours that would not otherwise have been available to be worked by any other employee, but are extra hours scheduled strictly for this purpose and identified as Human Resource Training Code.

18.20 Hours worked or paid will be considered as hours worked for the purpose of satisfying the minimum guarantees in sub-section 18.15.

18.21(a) **Job posting** shall be done within Seniority Zone One as follows:

When a full-time position within the scope of the bargaining unit becomes permanently vacant and the Company determines that the position is to be filled, the Company agrees to fill said vacancy from part-time employees who have made an application in writing to the Company as indicated below. The vacancy shall be filled with part-time employees in the same classification providing the senior applicant can perform the normal functions of the job in a competent manner. Vacancies for Produce shall be filled with part-time employees in the same classification and department, providing the senior applicant can perform the normal functions of the job in a competent manner.

(b) Ability to perform the normal functions of the job in a competent manner shall mean that the employee

involved is competently performing the normal functions of the job following a training and trial period of thirty (30) days worked. Should the employee choose to step down before the completion of the thirty (30) days worked, he/she may do so, or should the employee not be able to perform the normal functions of the job in a competent manner, the Company may return the employee to his/her previous job before the completion of the thirty (30) days worked. In either event, he/she would return to his/her previous position and wage rate without loss of seniority.

The Company shall then make a second selection for the training and trial period from the next senior applicant that remains on the list from the original posting.

(c) When a full-time position becomes vacant, the Company may fill it by laterally transferring other full-time employees, except that the Company must post the last such full-time position vacancy.

(d) The following positions shall be open for posting when a full-time vacancy as indicated above occurs:

Meat Production Specialist

Bakery Production – Baker

Bakery – Cake Decorator

Coffee Bar Server

Sales/Service Clerk

Pharmacy Assistant/Pharmacy Technician

(e) The job posting shall contain:

(i) classification;

-
- (ii) the store number, department and location;
 - (iii) the closing date of the posting.
 - (iv) the target effective date of the position.
- (f) The full-time positions which are posted shall be posted according to the following procedure:
- (i) Vacant positions shall be posted within five (5) days of becoming vacant, unless the Company decides that said vacant position has become redundant, or is above the full-time ratio as indicated in Section 7 of this Agreement. When the Company decides not to post a vacated position, it shall immediately inform the Union, in writing, within an additional five (5) calendar days.
 - (ii) Vacant position(s) shall be posted in all stores in the bargaining unit for a period of ten (10) calendar days. A copy of the posting shall be forwarded to the Union at the time of the posting. The posting shall be signed and dated by the Store Manager and the Shop Steward (or another member of the bargaining unit in their absence) on the date of posting to confirm that the posting is publicly displayed for the required period. The posting shall be returned to the Human Resources Department at the end of the posting.
 - (iii) Employees wishing to apply for the full-time position posted shall do so on a form provided by the Company, and shall give said application form to the Store Manager, or Management designate, no

-
- later than 4:00 p.m. on the tenth (10th) day, who shall sign it to verify that the employee has made said application for the job posting.
- (iv) A copy shall immediately be sent to the Human Resources Department, a copy shall be sent to the Union office and a copy shall be retained by the employee making the application.
 - (v) Employees on an approved absence such as WCB, WI, LTD, Maternity or Parental leave, LOA or vacation will be eligible to apply for a full-time job posting while on leave provided the employee can return to work within thirty (30) calendar days and can perform the job in a competent manner, as indicated above. The employee may also provide the Company with written notification prior to going on leave to advise that they are applying for any job postings occurring during the duration of their LOA/vacation. The Company shall have the right to temporarily fill the full-time vacancy until said successful applicant returns to work.
 - (vi) The name of the successful applicant, along with their seniority date, will be posted in all the stores in the bargaining unit within fifteen (15) days of the original posting. The Company will forward a copy to the Union and will notify the successful applicant.
 - (vii) The Company will assign starting dates of group postings as close together as possible recognizing

that operational and availability variables may exist, but in any case within fifteen (15) days of the closing of the posting. The seniority dates of the successful applicants in multiple postings will be ranked based on their original continuous date of hire. This process in itself will reduce the likelihood of common promotion dates.

- (viii) The rate of pay for successful applicants shall be as outlined in Appendix “B” of the Collective Bargaining Agreement. This will also apply to over-scale employees as per Appendix **B-19**.
- (ix) If no one from the classification applies for the posted position, the Company may fill the job at its discretion, subject to the normal fair and reasonable requirements under the contract and under normal labour legislation. If no one from the Produce department applies for a Produce Clerk posted position, the Company will consider Sales/Service Clerks on the basis of seniority – provided the senior employee can perform the normal functions of the job in a competent manner as per sub-section 18.21 (b) - before filling the job at its discretion.
- (g) New Departments

The Company will discuss with the Union new departments that may arise.

18.22 In the event a part-time employee is transferred to another store, the employee will retain his/her most recent date

of continuous employment as his/her seniority date within the store to which he/she is transferred. Notwithstanding sub-section 18.27 it is understood that the Company has sole right to grant or deny transfers based on their assessment of the efficient operation of the business, except as indicated in sub-sections 18.24 and 18.25.

When a part-time employee is transferred by the Company to another store, such transfer will not result in a loss of hours in the six (6) weeks immediately following the transfer.

In order to determine if hours were lost, a period of thirteen (13) full calendar weeks immediately prior to the transfer will be used. Full calendar weeks where an employee was absent due to illness or injury or leave of absence for vacation purposes will not be counted to a maximum of four (4) weeks.

18.23 **Zero (0) Hours for Four (4) Months**

Any part-time employee who has no working hours for a consecutive four (4) months period shall be dropped from the Company's payroll records and the employee's services terminated, unless such absence is due to illness or injury.

18.24 **Zero (0) Hours for Four (4) Weeks**

A part-time employee with more than two (2) years' service who receives no hours of work for four (4) consecutive weeks or more may exercise his/her seniority and displace the

most junior employee in the same classification and department in another store within Seniority Zone One. Said employee will carry his/her Company seniority to the other store for the purpose of scheduling.

Seniority - General

18.25 Any full-time or part-time employee who is laid off or fails to receive hours of work to which he/she is entitled, according to the foregoing, shall be compensated for the hours involved in any violation at his/her regular rate of pay.

18.26 The Company agrees to provide the Union every six (6) months, and upon written request from the Union which will not exceed once every three (3) months, with:

- (1) a seniority list of full-time employees within each of the Seniority Zones;
- (2) a seniority list of part-time employees on a store-by-store basis;
- (3) a seniority list of Courtesy Clerks on a store-by-store basis.

This will be generated in accordance with sub-section 2.07, to a maximum of twice per year. The seniority lists will include employee number.

18.27 Where it will not interfere with the efficiency of the operation of the business, employees will be afforded an opportunity of employment in the Company's store within the

Seniority Zone One nearest to their residence. The Company is to be the sole judge in this matter, but shall not unreasonably withhold such an opportunity. Full-time employees will be given two (2) weeks' notice of transfer to another store unless an earlier date is mutually agreed to between the parties, or in the event of emergency as defined in sub-section 5.10 (2).

18.28 **Greater Flexibility in Hiring**

To provide greater flexibility in the development and hiring of employees for supervisory positions, one (1) part-time employee or one (1) full-time employee per department may be selected for back-up relief, or filling of a supervisory vacancy.

The Company agrees to notify the Union, in writing, of the persons selected by the Company for this program indicating the store number and the Department.

Individuals will be selected on the basis of their qualifications, skills and abilities solely as determined by Management.

The use of back-up, relief employees, full-time or part-time, will not result in the reduction of the normal hours of any employees in said department.

Back-up, relief or filling of a vacancy shall only apply to the Assistant Store Management, Deli, Meat, Produce, Bakery, Floral, Seafood and Coffee Bar Departments and new departments, as mutually agreed between the Company and the Union.

18.29 **Transfer to Another Department**

- (a) A part-time employee who has worked in his/her current department in excess of one (1) year will be considered for a transfer to another department in the store providing the employee has made such request in writing with a copy to the Union.
- (b) The transfer referred to above shall apply only for a part-time employee going to another part-time position in another department. In order for a request for a transfer to another department to be considered a vacancy in the receiving department must exist created by the transfer, resignation, retirement or termination of another employee.
- (c) The employee's request will be considered on the basis of seniority and ability. The Company will be fair and reasonable in considering requests for a transfer.
- (d) Employees granted a transfer will be on a trial period of up to thirty (30) calendar days to demonstrate their ability to perform the normal functions of the job in a competent manner. In the event they are unable to perform the normal functions of the job in a competent manner the employee will be returned to their former position and rate of pay. The employee will lose his/her "assurance of hours", if the employee was entitled to any, unless the employee is returned to their original position as indicated above.
- (e) An employee will be limited to one (1) transfer during the life of the Agreement.

-
- (f) An employee who is accepted for a transfer will, if he/she is at or below the twenty five hundred (2500) hour level in his/her home department, move to the same hours level in the new department. Any employee who is above the twenty five hundred (2500) hour level in his/her home department will move across at the twenty five hundred (2500) hour level or a level that is one (\$1.00) dollar per hour less than his/her current position in the wage scale whichever is higher for the first five hundred (500) hours of the transfer. The employee will then progress up the scale in accordance with experience and service gained in the new department. Overscaled employees who transfer to a classification having the same wage scale will maintain their overscaled differential in the department.
- (g) The above shall in no way affect or be in conflict with the part-time employee's rights under sub-section 18.21. The above will not prevent the Company from filling the needs of a Department by making transfers.
- (h) Notwithstanding the above, in regard to Coffee Bar Servers, they will require two (2) years of service to be eligible for a transfer. Coffee Bar Servers who receive a transfer will go to the next higher rate that gives them an increase and then they will have to work five hundred (500) hours before they receive their next increase.

18.30 Full-time employees may request and may receive two (2) days off per month from Monday to Friday as part of their regular days off in order to attend to family and personal responsibilities. To be considered, the request must be made before the schedule for the affected week is posted. These requests will not be unreasonably denied after considering the operational requirements of the business as determined by the Company.

18.31 **JLM Committee**

Upon request of either party, the Company and the Union agree to **meet and** participate in JLM Committee meeting to discuss issues of interest to either side.

The following suppliers' representatives will be able to continue the work currently being provided: Greeting Card Companies, Books and Magazine suppliers.

20.02 It is understood that the above will not apply to suppliers' representatives who are engaged in the erecting of special displays which require the assembling of a special stand, composed of cardboard, wood, metal, etc. The initial stocking shall be performed by an employee of the store, directed by the supplier's representative.

 - ii) the pre-existing mix of products or commodities is substantially altered to the extent that merchandising, production or staff requirements are substantially altered.

21.02 In the event a circumstance described in sub-section 21.01 above occurs, affected full-time employees shall be able to exercise bumping rights, by seniority and classification in their department first in their own store, and if not possible, in another store within Seniority Zone One, except for department closing or store closing where the order would be first Seniority Zone One, then, if not possible, Seniority Zone Two, then, if not possible, Seniority Zone Three.

21.04 In the event that a full-time employee who is affected due to technological change, closing of a department, or a job becoming redundant, or centralization outside the scope of the Collective Bargaining Agreement, bumps according to sub-section 21.05, he/she shall be offered a training period of up to thirty (30) working days. Should the employee refuse the training or if the employee cannot be retrained, the employee shall be paid severance equal to one (1) week's pay for each year of continuous full-time service to a maximum of fifteen (15) weeks' pay, and shall be considered terminated.

This Section does not apply to employees who accept other employment with the Company, outside the jurisdiction of this Agreement.

The Company will attempt, to the best of its ability, to find a job within the bargaining unit for part-time employees. If it is not possible, said employees will be terminated.

The reference to technological change in this Section is intended to assist employees affected by same and accordingly Sections 83, 84 and 85 of the Manitoba Labour Relations Act, which refer to technological changes, do not apply during the term of the Collective Agreement between the Company and the Union.

This sub-section 21.05 will be applied within the Seniority Zone One, except for department closing or store closing where the order would be first Seniority Zone One, then, if not possible, Seniority Zone Two, then, if not possible, Seniority Zone Three.

in a competent manner. For the purpose of this section, “reasonable opportunity” shall mean a maximum of thirty (30) working days for a full-time employee and twenty-four (24) hours for a part-time employee.

This sub-section 21.07 will be applied within the Seniority Zone One, except for department closing or store closing where the order would be first Seniority Zone One, then, if not possible, Seniority Zone Two, then, if not possible, Seniority Zone Three.

25.02 A copy of such disciplinary notice shall be faxed or emailed to the Union office. If a Shop Steward or member is not present as required the resulting discipline shall not be valid and may not be utilized by the Company. If a Shop Steward is present they must be provided with a copy of the disciplinary notice, or the resulting discipline shall not be valid and may not be utilized by the Company.

25.03 Sub-sections 25.01 and 25.02 above are not intended to prevent Management from investigating the circumstances, or inquiring, on a matter that may lead to discipline.

25.04 The employee will be given a copy of such disciplinary notice which is to be entered on the employee's personnel file. A copy of the disciplinary notice will be faxed or emailed to the Union office within forty-eight (48) hours of it being issued. In unusual circumstances, where it is

necessary for the Company to advise an employee by mail of discharge, the Union office will be faxed or emailed a copy of the discharge. Failure to fax or email the discipline within forty-eight (48) hours does not invalidate the discipline under sub-section 25.02.

25.05 The signing of disciplinary notices and/or reprimands by Shop Stewards or employees does not mean that they are in agreement, or that they support the content of the reprimand or the disciplinary notice, but is an acknowledgment that they have received said disciplinary notice and/or reprimand.

SECTION 26 ADJUSTMENT OF GRIEVANCES

26

26.01 Any complaint, disagreement or difference of opinion between the Company, the Union or the employees covered by this Agreement, which concerns the interpretation, application, operation or alleged violation of the terms and provisions of this Agreement, shall be considered as a grievance.

26.03 In any grievance regarding hours worked by an employee and the amount paid to an employee, the Company shall promptly supply such information in respect to the two (2) pay periods immediately prior to the request. If information for a longer period is required, the normal process of the Grievance Procedure shall apply.

26.04 The Union shall not use the foregoing provision to request information that does not pertain to a specific grievance of an employee.

26.05 Any employee, the Union or the Company may present a grievance. Any grievance which is not presented within twenty (20) calendar days following the event giving rise to such grievance, or within fourteen (14) calendar days of the last day worked when relating to a discharge grievance, shall be forfeited and waived by the aggrieved party.

26.06 All grievances shall be submitted in writing.

If the matter is not taken up within ten (10) calendar days of the date the Union received the written reply to the grievance in Step One, it will be deemed to have been abandoned and further recourse to the Grievance Procedure shall be forfeited.

26.08 If a satisfactory settlement cannot be reached, then upon request of either party, within fourteen (14) calendar days of receiving the final, written decision from either party, but not thereafter, the matter may then be referred to an Arbitrator, selected in accordance with Section 27.

**SECTION 27
SELECTION OF AN ARBITRATOR**

27.01 After one (1) of the parties indicates they are taking the matter to arbitration, the matter shall be referred to a single Arbitrator as indicated in sub-section 27.02.

During the life of this Collective Bargaining Agreement, the parties may mutually agree to a list of Mediators other than the Mediators provided from the Province of Manitoba Conciliation Services. Any cost of a Mediator will be shared equally by both parties.

If in any case the Arbitrator allotted is unwilling or unable to act, the individual whose name follows his/her in the panel shall be submitted as the Arbitrator.

The parties may, by mutual agreement during the life of the Collective Agreement, add to and remove Arbitrators from the list above.

27.03 Whenever one (1) of the parties refers a matter to arbitration, the matter shall be heard within thirty (30) calendar days for suspension or termination and ninety (90) calendar days for any other matters. The matter shall be heard within that time limit unless both parties mutually agree to a date beyond the thirty (30) calendar day or ninety (90) calendar day requirements, or in the event that none of the three (3) Arbitrators listed above are available to meet within the thirty (30) calendar day requirement or ninety (90) calendar day requirement, whichever is applicable. If the parties cannot mutually agree to a date beyond the thirty (30) calendar day requirement, or ninety (90) calendar day requirements, whichever is applicable, the matter shall be referred to the selected Arbitrator who shall have the right to decide on the matter. In no event can a hearing be extended to a period longer than another thirty (30) calendar days. The Arbitrator shall have thirty (30) calendar days to render a decision in regard to any matters dealing with suspension or termination, and ninety (90) calendar days from the last date of the hearing on any arbitration cases referred to him/her other than suspensions or terminations.

27.04 The Arbitrator shall receive and consider such material evidence and contentions as the parties may offer and shall make such independent investigation as he/she deems

essential to a full understanding and determination of the issues involved. In reaching his/her decision, the Arbitrator shall be governed by the provisions of this Agreement.

27.05 In the event of termination, discharge or suspension of an employee, the Arbitrator shall have the right to sustain the Company's action, or reinstate the employee with full, part or no back pay, with or without loss of seniority, or to settle the matter in any way he/she deems advisable.

27.06 The decision of the Arbitrator shall be final and binding upon all parties concerned.

27.07 The Arbitrator shall not be vested with the power to change, modify or alter any of the terms of this Agreement, except as indicated in sub-section 27.05 above. All grievances submitted shall present an arbitrable issue under this Agreement and shall not depend on or involve an issue or contention by either party which is contrary to any provision of this Agreement or which involves the determination of a subject matter not covered by or arising during the term of this Agreement.

27.08 It is the intention of the parties that this Section shall provide a peaceful method of adjusting all grievances, so that there shall be no suspension or interruption of normal operation, as a result of any grievance. The parties shall act in good faith in accordance with the provisions of Section 26 of this Agreement.

41.05 Employees will not be required or scheduled to work hours during the night shift sales and normal store hours in the same week. All new Sales/Service Clerks will progress to the top of the Sales/Service Clerk scale as described in Appendix B-14 above. They will then progress to the Senior Sales/Service Clerk scale

when the Senior Sales/Service Clerk hours as a percentage of the total Sales/Service Clerk hours hired after March 23, 2014 is less than twenty-five (25%) percent. This calculation will be done, by store two (2x) times per year (April 15th and October 15th).

All new Courtesy Clerks hired after March 23, 2014 will progress up the wage scale based on hours worked or paid to the two thousand and one (2001) level in the new wage scale above and be capped at that level.

B-15 WAGES

Effective March 22, 2020 all top rates of the scales and over-scaled employees shall receive a thirty (30¢) cents per hour increase and effective March 21, 2021 all top rates of the scales and over-scaled employees shall receive a forty (40¢) cents per hour increase.

B-16 NEW SCALE MINIMUM WAGE ADJUSTMENTS

For wage scales **that are** affected by future minimum wage increases the parties agree that the start rate in the affected scale will be increased by an amount required to place that rate **ten (10¢)** cents above the minimum wage. The wage scales above the affected start rate will also be increased

so as to create a five (5¢) cents spread with the rate immediately below that rate. These adjustments will continue up the scale until such time as the contract scale is higher than the adjusted scale.

B-17 SECOND ASSISTANT MANAGERS

In stores where evening shopping is in effect one (1) or more days a week, one (1) Second Assistant Manager shall be appointed in stores employing a total of nine (9) or more full-time Sales/Service Clerks. This includes the Second Assistant Manager; however, it does not include the Store Manager or Meat Department employees.

B-18 Employees shall receive incremental increases to their rate of pay based on the increments as set out in their classification in Appendix B-1 to Appendix B-14.

The administration of hourly increases for job classifications is based on an employee's accumulated hours of actual work and hours paid (for example, General Holiday, bereavement, jury duty, sick days).

B-19 All overscale employees as of March 16, 2014 shall continue to receive their same overscale employees' rate of pay for the duration of this Agreement. All

overscale employees who are required to transfer at the request of the Company to another classification shall keep their overscale premium which shall be added in addition to the hourly rate of pay that the employee is entitled to receive in their classification.

B-20 COURTESY CLERK CLASSIFICATION AND RESTRICTIONS

- (1) Employees who have an “assurance of hours” shall continue to be entitled to same as indicated above, but the Company may, to maintain this “assurance of hours”, transfer the employee to another store, within a reasonable distance from their previous store or present residence.
- (2) No part-time employees other than Courtesy Clerks can apply for hours to be worked in the classification of Courtesy Clerk, except as indicated in Appendix B-23 and Appendix B-24 below.
- (3) An employee classified as Courtesy Clerk will not be scheduled by the Company or called in to work for more than twenty (20) hours per week. The twenty (20) hours maximum indicated above can be extended to twenty-four (24) hours, providing said Courtesy Clerks work one (1) of their shifts on a Sunday and providing the Company assigns Courtesy Clerks to work on Sunday from volunteers and by seniority among Courtesy Clerks.

For Courtesy Clerks with more than three (3) years of service, the above restriction will be deemed to be twenty-five (25) hours per week maximum and thirty (30) hours per week if scheduled on Sunday.

- (4) Courtesy Clerk can be on duty a maximum of one (1) hour before store opening and one (1) hour after store closing.
- (5) The primary duties of Courtesy Clerks shall be bagging, carrying out of groceries, handling of baskarts, work associated with the baler, collecting and putting out garbage, sweeping and mopping of the floors in any area of the store premises which shall include the entire store (within the external walls) and the parking lot.

Courtesy Clerks' secondary functions may include price checks, product returns, bottle returns and bottle sorting, getting change, parcel pick-up and replenishing the supply of bags.

Courtesy Clerks may also clean up (dust, wash, dampmop, sweep, clean up product spills and breakages) in the lunch rooms, wash rooms and the sales area. The sales area shall be defined as any area within the store where the customers normally shop. Courtesy Clerks can clean shelves as long as they do not have to remove product or face product.

- (6) All the Sections of the Agreement shall apply in their entirety to employees classified as Courtesy Clerk, with the following exceptions:

-
- (a) The scheduling of Courtesy Clerks within each store will be governed by the provisions of sub-section 18.13 of the Collective Agreement.
- (b) **Courtesy Clerks Promoted to Sales/Service Clerk or Bakery/Meat Production**
1. Unless merit, fitness and ability of an employee is greater than other employees working as Courtesy Clerks in their own store only, seniority shall govern for the purpose of promoting to Sales/Service Clerk or Bakery/Meat Production, after an assessment period of thirty (30) days worked.
 2. If said employee successfully completes the assessment and is promoted to Sales/Service Clerk or Bakery/Meat Production, he/she shall be entitled to retroactive pay to the commencement of the assessment period in the amount of the difference between his/her rate of pay and the rate of Sales/Service Clerk or Bakery/Meat Production that he/she will be classified in, as per Appendix B-6, B-7 and B-14. If a Courtesy Clerk is unsuccessful, there shall be no additional compensation paid to him/her above his/her regular rate as a Courtesy Clerk.
 3. A Courtesy Clerk will be given, when reclassified, the next higher rate of pay in the classification he/she has been reclassified

into and will be credited with hours required to maintain that rate of pay in the new Sales/Service Clerk or Bakery/Meat Production classification. He/she will then progress to the next higher rate by working or being paid hours amounting to the difference between the credited hours and the hours required to progress to the next level.

4. The employee will have a new starting seniority date in the Sales/Service Clerk or Bakery/Meat Production classification.

B-21 **COURTESY CLERKS PROMOTED TO PART-TIME GAINING HOURS BY WORKING COURTESY CLERK HOURS**

1. Courtesy Clerks who have been promoted to part-time after June 1, 2004, shall be given an opportunity to supplement their weekly hours of work in addition to their regular weekly hours worked in a store by working additional hours as a Courtesy Clerk. For the purposes of Courtesy Clerk scheduling, they shall maintain their original Courtesy Clerk seniority date.
2. These additional hours are to be worked at their Courtesy Clerk rate of pay contained in Appendix B-9 and B-14 up to a maximum of thirty (30) hours per week when combining their regular hours at the appropriate part-time rate with their additional

hours at the Courtesy Clerk rate, subject to Appendix B-22 (3).

3. A declaration that an employee wishes to acquire Courtesy Clerk hours must be made by June 1, 2005 or within six (6) months of the date of promotion, whichever is later and must remain in effect for a minimum of one (1) month. Any employee who after the date of promotion advises the Company they no longer wish to acquire Courtesy Clerk hours must give the Company a minimum of two (2) weeks' written notice of such decision. Once made, this decision is irrevocable.
4. Hours scheduled as a part-time employee will take priority over Courtesy Clerk hours. An employee cannot abandon a scheduled part-time shift to take a Courtesy Clerk call-in.
5. A Courtesy Clerk shift will not be changed to a part-time shift unless the Company has attempted to fill the shift required through the call-in procedure established in the Collective Agreement. In the event the Company is unsuccessful in calling in an employee the Company may designate the shift to become a part-time shift instead of a Courtesy Clerk shift. In such case the shift will be paid at the appropriate part-time rate of pay.

**B-22 PART-TIME SALES/SERVICE CLERK OPTION
TO BE RECLASSIFIED AS A COURTESY CLERK**

The following conditions shall apply:

1. Sales/Service Clerks may opt to be reclassified to the "Courtesy Clerk" classification. The option will be confirmed in writing.
2. Courtesy Clerk positions will be assigned giving preference to seniority from amongst those employees in the store who exercise the option. The part-time seniority list in the store will be used to determine preference.

For the purpose of establishing the employee's seniority on the Courtesy Clerk seniority list, the Company shall recognize his/her most recent date of continuous employment.

3. A Courtesy Clerk who was previously a Sales/Service Clerk, can exercise his/her seniority to return to a Sales/Service Clerk position in the future. This shall be done on the basis of their previous part-time seniority ranking. It is understood that an employee will only be offered a job he/she previously performed, i.e. a former cashier would only be offered a cashier job. The thirty (30) day assessment period will not apply.
4. An employee who accepts a reclassification offer in his/her store on the first opportunity given to him/her only shall be assigned a part-time seniority date

equal to the period of time he/she was previously classified as Sales/Service Clerk. If he/she chooses not to accept the first reclassification offer, he/she shall be assigned a new part-time seniority date from the date of appointment.

5. An employee who accepts a reclassification offer shall be paid the appropriate rate for the job classification he/she is assigned to in accordance with his/her career Sales/Service Clerk hours confirmed at the time the option is exercised.
6. Except where the Company requires a Sales/Service Clerk, on a temporary basis, an employee who exercises his/her option and who subsequently accepts a reclassification offered will not be allowed the option for a Courtesy Clerk's job for a period of one (1) year from the date he/she is first reclassified.

B-23 NORTHERN ALLOWANCE FOR FULL-TIME EMPLOYEES (THOMPSON ONLY)

The Northern Allowance shall be paid to full-time employees after completion of three (3) calendar months of service. This allowance will apply to all hours worked or paid, including overtime, vacations, General Holidays and also while on sick leave. The Northern Allowance shall be:

Single: forty-four (44¢) cents per hour;

Major Wage Earner: eighty-six (86¢) cents per hour.

Definitions:

Northern Allowance for Single will apply to all full-time employees. Northern Allowance for Major Wage Earner will apply to all full-time employees who are the major wage earner in their family and have so notified the Company, in writing, in notarized statement.

B-24 NORTHERN ALLOWANCE FOR PART-TIME EMPLOYEES (THOMPSON ONLY)

Part-time employees with more than six (6) months' continuous service shall receive a Northern Allowance of thirty-two (32¢) cents per hour for all hours worked or paid.

B-25 NORTHERN ALLOWANCE (THOMPSON ONLY)

- (a) Northern Allowance paid to employees shall be considered an allowance with respect of travel for the purpose of the deduction authorized by the Income Tax Act (Canada) paragraph 110.7(1)(a). This amount will be reported as a taxable benefit on the employee's T4 slip.
- (b) It shall be the responsibility of the employee to determine which portion (if any) of the amount reported on the T4 slip, qualifies for an income tax deduction.

-
- (c) All parties acknowledge that the above allowance is subject to any changes implemented by Revenue Canada or any ruling which Revenue Canada may imply in respect to the benefits eligible.
 - (d) Should Revenue Canada reduce or eliminate the allowance the Company shall not be responsible for any costs to make up for the lost benefits.

**BAKERY PRODUCTION DEPARTMENT
O N L Y**

C-5 The Company agrees that each full Bakery will have one (1) employee designated by the Company classified as Journeyman Baker.

E-1 **Five (5) Minute Leeway**

The Union agrees to a five (5) minute leeway each day, which is not intended to be part of the work schedule. Rather, this is to take care of the extra few minutes required to complete a job in progress at quitting time.

All time worked in excess of the five (5) minutes’ leeway shall be paid at overtime rates.

E-2 **Locker Search**

To the extent that lockers are currently provided to employees, it is understood between the parties

In the event that the circumstances related to Sunday scheduling are determined to have changed by regulation, legislation or application at the Company's major competitor in the City of Winnipeg, with respect to an employee's right not to work on Sunday, the Union agrees to meet with the Company to resolve the issue so as to ensure that the Company is not placed at an operational disadvantage to that competitor as a result of the change.

E-5 **Transfer to Another Store**

The Company agrees to consider requests for part-time employees to transfer to another store for the purpose of receiving additional hours of work.

E-6 **Working Late Evening Shopping Shift**

- 1) When an employee works the late evening shopping shift, the Company will arrange to escort the employee to his/her car, if requested, to ensure his/her safe departure.
- 2) The cost of transportation for employees to or from work between twelve (12:00) o'clock midnight and six (6:00) o'clock in the forenoon shall be at the expense of the Company included in the employee's classified hourly rate of pay.

Local No. 832, it is acknowledged that, pursuant to the provisions of the Manitoba Labour Relations Act, this Agreement shall be binding upon the successor or assignee of the Company. It is clearly understood that this Letter of Understanding will only place these specified obligations upon a successor or assignee who intends to operate these facilities as retail grocery stores.

- (2) Given the circumstances specified in paragraph #1, the Company shall give written notice to the prospective successor or assignee of its obligation to assume this Agreement. Written confirmation of that Notice shall be provided to the Union fourteen (14) days prior to the transfer of business.
- (3) In consideration of the Company's execution of this Agreement, the Union agrees that the Company shall not be a guarantor or be held liable for any breach by the purchaser of its obligation under the Collective Agreement, and the Union shall look exclusively to the Purchaser for compliance with the terms of the Collective Agreement.

E-8 **Seniority Ranking of Part-time Employees
With the Same Hiring Date in a Store**

When two (2) or more part-time employees or Courtesy Clerks are hired or promoted on the same date, the Company shall rank employees, as determined by Management, prior to completion

of the probationary period or assessment period, if applicable.

The names of employees who are given a seniority ranking shall be forwarded to the Union on a monthly basis as required.

The ranking of employees with the same seniority date in the store shall be shown by a numerical designation beside the employee's applicable seniority date.

This ranking will also occur as stated above when a part-time employee is transferred to another store where two (2) or more employees have the same continuous date of hire.

E-9 **Specifics of Store Management and Shop Stewards Co-operation**

- (1) The Store Management should welcome Shop Stewards and employees in their stores bringing complaints or alleged grievances to the attention of the Store Manager.
- (2) The Shop Stewards must appreciate and understand the fact that the Store Manager's duty and responsibility is to run the store according to the Company's policies and specifications.

 - (5) A meeting should take place regularly, or as regularly as necessary, between the Store Manager and the Shop Stewards to discuss any concerns which the employees may have brought to the attention of the Shop Stewards.
 - (6) The full-time Union Representatives will encourage the Shop Stewards to approach Store Managers and attempt to resolve concerns at the local store level.
 - (7) The Store Managers should, therefore, make every speedy effort to do same.
 - (8) If the above Store Manager/Shop Steward co-operation policy breaks down, each side, Management or the Union, will work to restore it to the intent of Section 29 of the Agreement.
 - (9) It should be understood by Shop Stewards that, although they have an important function to perform as Shop Stewards, they should nevertheless, to the best of their ability, work to achieve the missions and objectives of the Company.

1. The Store Manager, the Union Representative and the store Shop Steward will each have a key to the

5. The Company can only ensure the same degree of care for the board as any other general fixture in the store.
6. The posting of Union notices by Union Representatives will continue in accordance with Section 28 of the Agreement, i.e. provided such notice shall first receive the approval of Management.
7. Notices of political nature will not be posted.
8. It is understood the Union bulletin boards will not be used as a weapon against Sobeys West Inc. during the term of contract or during negotiations for a new Agreement. If the boards are used as a weapon against Sobeys West Inc., the privilege of the Union Boards in stores will be rescinded.
9. Any change in Division Management's acceptance of the Union bulletin boards in the stores will be advised by Labour Relations to the Chief Officer of the Union.

E-11 **Right to Grieve Termination Due to Illness or Injury**

Pursuant to Company policy on terminating employees who are absent from work for twenty-four (24) months or more due to illness or injury, the parties agree to the following:

- a. Prior to an employee who is absent from work due to illness or injury being terminated, the Company and the Union will meet to discuss the particular circumstances of the employee in question.
- b. The termination of an employee in these circumstances will not affect his/her eligibility for benefits under L.T.D. or Pension Plans.
- c. If the parties are unable to agree on the status of the employee, the Company maintains the right to terminate the employee subject to the Union maintaining the right to grieve the validity of such termination.

E-12 **Employees Working in More Than One (1) Store**

The Company and the Union agree to resolve any perceived favouritism in the assignment of employees to more than one (1) store under subsection 1.05.

E-13 Cashier Duties

The Company intends to review and resolve with the Union any issues where non-cashiers are believed to be performing Cashiers' duties to the extent that it may regularly take away a shift that could be available to Cashiers. Where this amount is deemed to be excessive, the parties shall meet to review with a goal of minimizing the amount of cashing done by non-cashiers.

E-14 Consideration of Employees Interested in Position of Variety or File Maintenance as Back-up or Vacation Relief

Employees who are interested in being considered for a position in Variety or File Maintenance as backup or vacation relief in the store may apply to the Company in writing. The Company agrees to consider such employees for future store needs on the basis of their relative skill and ability. In the event the employees are viewed as relatively equal by the Company, the senior employee will be selected provided the employee is prepared to work different shifts as designated by the Company.

E-15 Full-time Ratio

The Company and the Union agree that the following terms will comprise the understanding of the parties

in respect to the administration of Section 7 of the above Collective Bargaining Agreement.

1. Full-time employees who are counted will be those who have full time status on the date of the count and will include for example, employees on vacation, leave of absence (to a maximum of one (1) year unless exceeded by law), Weekly Indemnity, WCB, LTD and any other approved absence. Employees noted in this Section will be included in the count of full-time employees but will not be included in the total number of employees used to calculate the percentage.
2. Full-time employees assigned to tasks such as reline crew, training school, etc., who work outside the store will be counted provided they are covered by the Collective Bargaining Agreement and work and/or are paid thirty-seven (37) hours as listed.
3. If the Company is found to be in violation of the full time ratio, then:
 - a) A full-time position shall be deemed to have been created and the full-time job shall be posted as per sub-section 18.21 of the Collective Bargaining Agreement; or
 - b) A full-time employee who has been reduced to part-time by the Company, subject to sub-section 18.04 (1) and, subject to the Company's determination of the job that is required to be filled, such employee shall

be given the opportunity for a full-time job before a job is posted.

It is understood that if the Company is short two (2) employees, then two (2) positions will be deemed to have been created. It is also understood in calculating the number of required positions that point one (.1) shall equal one (1) job.

4. The Company will, in good faith, provide data that is as accurate as practicable. Both parties recognize that errors and corrections can occur in a data base as large and complex as the one under scrutiny. Accordingly, the Company accepts the fact that grievance time limits relating to full-time ratio grievances will not be rigidly applied but will be directory. Correspondingly, the Union recognizes that the initial information provided that indicates a violation may upon further review and explanation by the Company indicate a violation does not exist.
5. The calculation of the full time ratio will be done by City/Town except that Winnipeg/Selkirk will be combined.
6. In the calculation of the full-time ratio, it is also agreed that the number of Courtesy Clerks will not be included when calculating the total number of employees to determine the full-time ratio as per the Agreement.

E-16 Store Temperature

The Company agrees to maintain adequate heating and lighting in its stores.

E-17 Anti-Fatigue Mats

The Company will continue its past practice of having effective anti-fatigue mats to be placed at the checkstands, customer service and in appropriate areas provided it is safe and reasonable to do so.

E-18 The interpretation of sub-section 7.04 is such that the inclusion of the employees referred to in sub-section 7.04 above in the count effective November 14, 2004, will not be used to reduce any current full-time employee to part-time. This will not prevent the Company from reacting to business conditions. This Agreement will expire on **March 19, 2022**.

E-19 The Company will comply with the Employment Standards Code as it relates to the calculation of part-time General Holiday pay.

E-20 Department Manager Relief

Any employee relieving an Assistant Manager or a Department Manager for more than thirty (30) calendar days will receive the rate of pay for the position rather than the relieving rate established under Section 10 unless that relieving rate is higher.

E-21 Premium on Vacation

Vacation pay for full-time employees entitled to paid vacation shall include night shift premium if the employee is on nights for the four (4) weeks prior to the vacation. It shall also include relieving premium provided the employee relieved for the full four (4) week period immediately prior to the vacation. Vacation pay shall also include Northern Allowance and Lead Hand premium.

E-22 Creating New Classifications

Employees may be hired or selected on the basis of their qualifications, skills and abilities solely as determined by Management for positions that require a particular skill or knowledge base not currently in place in our store offering.

The Company and the Union will meet to negotiate wage rates, classification titles and qualifications for these positions.

The Company agrees to notify the Union, in writing, of the persons selected by the Company indicating the store number and the Department.

E-23 Discount Banner

Pursuant to Section 1.08 of this Collective Agreement, should a dispute arise as to the terms and conditions of the Appendix, all

outstanding provisions shall be submitted to Final Offer Selection no later than four (4) months after the date the Company announces the decision regarding such conversion or opening as follows:

- a) The Company and the Union shall meet and agree on which provisions remain outstanding between them within seven (7) days of the date of the submission to Final Offer Selection. The final differing provisions submitted to the Selector will be confined to these agreed outstanding provisions. The Selector will also receive copies of all agreed to provisions;**
- b) The single Selector shall be selected from the following list of persons:
 - (1) Mr. William Hamilton**
 - (2) Mr. Michael Werier-****
- c) The Selector shall receive a written statement or brief from the Company and the Union, outlining each of their respective positions on the outstanding proposals, within fourteen (14) days of his appointment, and shall select either the Company or the Union position as outlined by them as the basis for settlement.**

- d) The Selector shall convene a meeting of both parties for the purpose of hearing explanation of the final positions which have been submitted. The Selector may question the parties for the purpose of seeking clarification of the respective final positions which have been submitted.
- e) The Selector shall render his decision within twenty-eight (28) days of his appointment, and said decision shall be final and binding on all parties to this Agreement.

IN WITNESS WHEREOF, THE PARTIES HERETO HAVE DULY EXECUTED THIS LETTER OF UNDERSTANDING.

SIGNED THIS 25th DAY OF April, 2018.

Your Right to Refuse Dangerous Work

Workplace safety and health is everyone's concern and everyone's right.

You can refuse dangerous work and your right to do so is protected by law.

Hazards in the Workplace

At any time in your working life, you may encounter work involving safety and health risks that are not normal for the job. Hazards and dangerous situations should immediately be reported to your supervisor in order to prevent an injury or illness. In most cases, the situation is resolved by eliminating the hazard. If the situation is not rectified, you can exercise your right to refuse work.

What is the Right to Refuse?

Under the law, (Manitoba's Workplace Safety and Health Act), you can refuse any task that you have reasonable grounds to believe is dangerous to your safety and health or the safety and health of others. (The work refusal is initiated by the worker.)

Section 43(1) of the Act states: "A worker may refuse to work or do particular work at a workplace if he or she believes on reasonable grounds that the work constitutes a danger to his or her safety or health or to the safety or health of another worker or another person."

Remember . . . you may not be disciplined for exercising your right to refuse in good faith, and you are entitled to the same wages and benefits that you would have received had the refusal not taken place. Your employer may also re-assign you temporarily to alternate work while the situation is being remedied. Stay at your workplace for your normal working hours unless your employer gives you permission to leave.

What is Dangerous Work?

“Dangerous” work generally means: work involving safety and health risks that are not normal for the job.

What Are the Steps Involved?

Step 1

Report immediately to your supervisor, or to any other person in charge at the workplace, giving your reasons for refusing to work. At this point, the refusing worker and supervisor must attempt to resolve the concern. If the employer resolves the matter to your satisfaction, go back to work. If you still believe the work is dangerous. . . .

Step 2

If the supervisor and worker cannot resolve the refusal, the worker co-chairperson of the safety and health committee, or a committee member (or a worker rep, if there is no committee), must be asked to help for the purpose of inspecting the workplace. If the dangerous condition is not remedied after the inspection

Step 3

Any of the persons present during the inspection in STEP 2 may notify a safety and health officer of the refusal to work and the reasons for it. The safety and health officer will investigate the matter and decide whether the job situation or task the worker has refused constitutes a danger to the safety or health of the worker or any other worker or person at the workplace.

The officer will provide a written decision to the refusing worker, each co-chairperson, or the rep, and the employer. Anyone directly affected by an officer’s decision may appeal it to the Director of the Workplace Safety and Health Division. The Director will make a decision about the appeal, and provide written reasons. The decision of the Director may be appealed to the Manitoba Labour Board.
