

# IMPORTANT NOTICE TO MEMBERS OF THE UFCW UNION / MAPLE LEAF FOODS INC. BENEFIT PLAN

As of April 1, 2020, the Benefit Plan is changing your Drug Card Provider, from Telus Health, to **MDM Insurance**. We expect to mail the new cards out to you around the last week of March, so you can use the card at your pharmacy beginning April 1. Please continue to use your current card until that date.

We are using this opportunity as a reminder that ***all Members (AND all Dependant Children 18 years of age and older)*** must submit an updated Manitoba Pharmacare Deductible Letter to the Benefit Plan each year.

**IF WE HAVE NOT RECEIVED YOUR UPDATED PHARMACARE LETTER, FOR THE 2020/2021 YEAR, YOUR DRUG CARD MAY BE SUSPENDED AT JUNE 30, 2020, AND WE MAY NOT PROCESS YOUR DRUG CLAIMS. IF YOU HAVE NEVER SENT US YOUR PHARMACARE LETTER, YOU WILL NOT RECEIVE A DRUG CARD.**

The Application Form is available on the Manitoba Health website, at [gov.mb.ca/health/pharmacare](http://gov.mb.ca/health/pharmacare). **If you select Option A – One-Time Enrolment, a new letter will be sent to you each year, around April 1.** You must send us this letter each year, to ensure your Drug Card remains active.
