President's Message

Dear Member,

A union collective agreement is like a Charter of Rights. It explains, protects and guarantees your rights on the job. It stipulates the wages you must be paid, the benefits you must receive. It puts down on paper your right to dignity and respect at work.

It is important that you know your rights, the wages and benefits you are entitled to receive. Please take the time to read through this agreement. If you have any questions about it, talk to a shop steward in your workplace or phone your full-time union representative. They are also the people to talk to if you feel the rights and benefits outlined in this document are not being provided to you.

Sincerely,

Jeff Traeger,
President UFCW Local 832

- (b) voluntarily quits or resigns;
- (c) has been laid off continuously for a period of twenty-eight (28) months or is called back to work after layoff and does not return to work within ten (10) working days of receiving a registered letter to his or her last known address unless a satisfactory reason is given by the employee;

Reverse order of seniority within community/locale shall be applied in all matters concerning a reduction to part-time status.

21.07

The Employer agrees that any additional hours of work that become available will first be offered to present part-time employees on a school by school basis, by seniority, provided the more senior employee is not already scheduled to work at that time and has the ability to perform the normal requirements of the job.
