FROM: OCTOBER 1, 2023

TO: SEPTEMBER 30, 2026

President's Message

Dear Member,

A union collective agreement is like a Charter of Rights. It explains, protects and guarantees your rights on the job. It stipulates the wages you must be paid, the benefits you must receive. It puts down on paper your right to dignity and respect at work.

It is important that you know your rights, the wages and benefits you are entitled to receive. Please take the time to read through this agreement. If you have any questions about it, talk to a shop steward in your workplace or phone your full-time union representative. They are also the people to talk to if you feel the rights and benefits outlined in this document are not being provided to you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Traeger', with a stylized flourish at the end.

Jeff Traeger,
President UFCW Local 832

Therefore, the hours of work will be as determined by the Company, but the Company will, where reasonably possible, attempt to provide full-time employees with at least forty (40) hours of work per week and will attempt, where reasonably possible, to schedule these hours by shifts not longer than eight (8) hours per shift and **will** provide a minimum of twelve (12) hours off between shifts **unless mutually agreed**.

- (a) An averaged work schedule shall be recognized by the Company and the Union as a schedule where the hours of work at a work site may exceed eight (8) hours per day or forty (40) hours per week but

not more than eighty (80) hours biweekly. The Company agrees not to assign any employee to an averaged work schedule unless the employee agrees to the assignment.

- (b) The Union agrees that sites that have current averaged work schedules shall be maintained. The Company and the Union shall establish a list of present sites where hours of work are averaged, for identification purposes, consistent with the wording contained in this section. The above-mentioned list shall be reviewed and permits renewed annually.
- (c) The Company agrees to inform the Union on sites proposed to be averaged or when revisions to existing averaged work schedules are required. At the request of the Company, the Union agrees to propose such requests to employees assigned to the applicable work site. The Union agrees not to deny an averaged work schedule when the majority of employees assigned to the site favour the averaged work schedule. Should an employee not wish to work on an averaged work site, when the site changes to an averaged work site, the employee shall be given a comparable site assignment.
- (d) The Company reserves the right to terminate an averaged work schedule if contractual conditions change or at the request of the client.

12.05 Where the Company is contracted to provide services without prior notification from the client, it shall be deemed to be an emergency situation or situation of urgency. In such circumstances, the Company shall have the right to average the work schedule. No employee will be mandated to work an averaged work shift under this article.
