President's Message

Dear Member,

A union collective agreement is like a Charter of Rights. It explains, protects and guarantees your rights on the job. It stipulates the wages you must be paid, the benefits you must receive. It puts down on paper your right to dignity and respect at work.

It is important that you know your rights, the wages and benefits you are entitled to receive. Please take the time to read through this agreement. If you have any questions about it, talk to a shop steward in your workplace or phone your full-time union representative. They are also the people to talk to if you feel the rights and benefits outlined in this document are not being provided to you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Traeger', with a stylized flourish at the end.

Jeff Traeger,
President UFCW Local 832

Should the Company transfer an employee who has been outside of the bargaining unit for more than ninety (90) calendar days back into the bargaining unit they will be considered a new hire and will be given a new start date and seniority date.

11.07 **Layoffs/Recalls and Bumping**

- (a) Employees will be laid off in reverse order of seniority whenever there is a reduction of employees in the bargaining unit. The only exception to this provision is when the client requests in writing that a specific security officer(s) be retained at their site. Officers can bump due to (1) loss of site, (2) being bumped by a senior officer, (3) client removal for non-disciplinary reasons, (4) return from approved leave of absence or (5) loss of position on a site.
- (b) The Company shall notify employees who are removed from site by client written request for non-disciplinary reasons or position is to be eliminated due to the loss of work at a specific site or mobile position or the loss of the entire site at least five (5) working days prior to the effective date of termination of the position or as soon as the Company is notified by the client. Such employee will be entitled to bump junior employees at other sites or mobile positions, in order to maintain employment and status. Status will include the number of regular hours, schedule, rate of pay, type of site (ie. Industrial, residential, office etc.)

The Company will meet with the affected employee and their Union representative as quickly as possible after the aforementioned notification. The employee shall be offered of the following bumping options:

- a. Transfer to any current vacancies available that are of similar hours of work per week and of similar pay rate.
- b. Transfer to the last posting assigned, by bumping other employees with less seniority, that is as similar as possible in terms of hours of work per week and pay rate, if permitted by the client.

- c. Placed on the spare board by order of seniority while other suitable sites are being reviewed for potential transfer, subject to client approval.
- d. Transfer to part time position, if available.
- e. Layoff with recall as per this article

If there are no positions of similar status, the employee may choose **one of the following: spare board**, permanent layoff, a position with a different status **or resignation**.

- (c) The Company shall generally give notice of recall by registered mail to the last recorded address of the employee. The employee shall keep the Company informed of the employee's present address or location where he may be reached. The employee who fails to do so shall forfeit his right of recall.
- (d) If, within one (1) calendar day from the receipt of such notice, the employee accepts the recall, the job will be held open for one (1) calendar day from the day of the employee's acceptance. In the event that such recalled employee is employed elsewhere at the time of recall, the Company will hold the position vacant for two (2) weeks if the Company has received appropriate advance notice from its client.
- (e) In circumstances where the Company must fill vacant positions without delay, the Company shall give notice of recall by telephone until able to find a qualified employee who is prepared to report to work immediately.
- (f) If the employee declines the position, or fails to respond to the notice within one (1) calendar day from the date of receipt of the original notice, or fails to report to work within the time period outlined above, such employee shall be considered to have resigned and shall forfeit his recall rights. Should such employee be prevented from returning to work due to illness or accident he shall retain his recall rights and the Company shall be at liberty to recall another employee. The employee shall be required to show proof of such illness or accident.

11.08

Scheduling Additional Hours of Work

Temporary work, or shifts or extra hours that become available shall first be offered to employees who have not been scheduled forty (40) hours in accordance with seniority, provided the employee has the minimum qualifications and site training to

be able to perform the job in question. The only exception to this provision is if the client specifies that the work must be given to existing employees on the site, or when there are employees on the recall list. If the additional hours are less than four (4) hours, the additional hours of work will be added to the employee's schedule who is working on the day in question and whose shift starts or ends when the hours are available.

ARTICLE 12 HOURS OF WORK

12.01 The Union recognizes that the hours of work of the employees are directly determined by the contractual obligations between the Company and the client. Therefore, the hours of work will be as determined by the Company, but the Company will, where reasonably possible, attempt to provide full-time employees with at least forty (40) hours of work per week and will attempt, where reasonably possible, to schedule these hours by shifts not longer than eight (8) hours per shift and attempt to provide a minimum of twelve (12) hours off between shifts.

12.02 A permanent full-time employee is an employee who is scheduled to work not less than thirty-five (35) hours per week.

12.03 A part-time employee is an employee who is scheduled to work less than thirty-five (35) hours per week or is not regularly scheduled to work.

12.04 Averaged Work Schedule

- (a) An averaged work schedule shall be recognized by the Company and the Union as a schedule where the hours of work at a work site may exceed eight (8) hours per day or forty (40) hours per week but not more than eighty (80) hours biweekly unless otherwise agreed to by the Company and the Union. The Company agrees not to assign any employee to an averaged work schedule unless the employee agrees to the assignment.
- (b) The Union agrees that sites that have current averaged work schedules shall be maintained providing the Union satisfies itself that a majority of employees on these sites have voluntarily agreed to same. The Company and the Union shall establish a list of present sites where hours of work are averaged, for identification purposes, consistent with the wording contained in this section. The above-mentioned list shall be reviewed and permits renewed by February 15th of each year.

- (c) The Company agrees to consult the Union on sites proposed to be averaged or when revisions to existing averaged work schedules are required. At the request of the Company, the Union agrees to propose such requests to employees assigned to the applicable work site. The Union agrees not to deny an averaged work schedule when the majority of employees assigned to the site favour the averaged work schedule. Should an employee not wish to work on an averaged work site, when the site changes to an averaged work site, the employee will have the right to bump into another site as per Article 11.07(b).
- (d) The Company reserves the right to terminate an averaged work schedule if contractual conditions change or at the request of the client.

- 12.05
- (a) Where the Company is contracted to provide services without prior notification from the client, it shall be deemed to be an emergency situation or situation of urgency. In such circumstances, the Company shall have the right to average the work schedule, providing such schedule does not exceed seventy-two (72) hours in duration. The Company agrees to advise the Union of such circumstances within one (1) business day.
 - (b) In the event that the duration of the service is to exceed seventy-two (72) hours, the Company will consult within one (1) business day, with the Union on the continuation of this averaged work schedule. The Union agrees not to unreasonably withhold such request.

12.06 Where the Company is contracted to provide services with prior notification from the client for a term to be defined, but not ongoing, it shall be deemed to be a temporary service contract. In such circumstances, the Company may propose a temporary averaged work schedule and consult with the Union prior to the implementation of such schedule. The Union agrees not to unreasonably withhold such request.

12.07 Employees who work on a site where a mandatory shut down occurs during which time hours may be reduced or cancelled will have the ability to continue to receive their regular working hours. Should said employees choose not to use vacation time or does not have enough vacation time to cover the period of shut down, the employer will temporarily re-assign said employees to any vacant jobs/sites at the pay rate of the job/site to which they are assigned. The Company will ensure that all regular working hours will be maintained. **The Company will try to find a temporary site that is as close in pay and scheduled hours to the employees current site during the shut down as possible.**

Reassignment shall take place within a ten (10) kilometer radius of the city where the effected site is located.

ARTICLE 13 MOVING OFFICERS

13.01 The Union recognizes that the client has the ultimate authority to decide which officer they shall employ on their specific site and therefore exceptions may be made under Article 11.05 and 11.07, only when the Company provides the Union the specific written reasons received from the client when they request for the removal of a security officer or have denied a security officer to transfer or bump into the client's site. A request by a client to move an officer will not result in discipline to that officer, unless it is warranted.

13.02 In circumstances where the client has made a request for a change in specific personnel at his site consistent with Article 13.01 above, which results in layoff or transfer of certain employees then such request shall be complied with. The affected employee will be reassigned to another site consistent with Section 11.07.

13.03 Wherever the Company moves security officers (not including supervisory employees) in keeping with 13.02 above, the reassignment will not result in the employee's hourly rate of pay being reduced during their employment with the Company unless they voluntarily bid for and receive a position of a lower pay rate as per Article 11.07. The provisions mentioned in this Article shall not apply and there shall be no transitional pay provision if the removal of the security officer from the site is for conduct warranting discipline more serious than a verbal reprimand.

ARTICLE 14 CALL-IN PAY

14.01 An employee who is called in to work outside their regularly scheduled hours shall be paid a minimum of four (4) hours pay at their applicable rate whenever there is a break between the employee's regularly scheduled hours and the work the employee is called to perform.

14.02 Minimum Call-in

No employee shall be called in to work for less than four (4) hours in any one day. If no work, or insufficient work, is available, said employee will be paid the four (4) hours at his regular hourly rate of pay.

ARTICLE 15 **MEAL AND REST PERIODS**

15.01 A meal period, with pay, for employees working on a daily shift of seven (7) or more hours shall be thirty (30) minutes in duration and shall not start earlier than three (3) hours, nor later than five (5) hours after commencement of the employee's shift, unless the employee is required to respond or is involved in an emergency situation. Employees shall be entitled to two (2) fifteen (15) minute rest periods, with pay, for same seven (7) hour shift, which shall be taken approximately in the middle of each one-half of the shift.

15.02 It shall be the onus of the employee to take their rest periods and meal periods when possible and practical consistent with their responsibilities to the clients. Garda management will attempt to negotiate with each client an arrangement which would allow the security officer his meal period and rest period, if possible, away from his work station by way of replacement by one of the client's employees or by agreement to allow the officer site to be vacant during meal and rest periods. If the client is unwilling to negotiate terms as per above, only then will the officer be required to take his meal and/or rest periods at his work station at times as determined by the officer.

 If an employee has difficulty taking rest and/or meal periods because of client responsibilities at any time, the employee will report these difficulties to his supervisor for review with the client.

 If client responsibilities require that an employee interrupt a rest or meal period, the employee shall be entitled to take the remainder of the rest or meal period after the interruption or at such later time as is possible and practical.

 The Company and Union agree to designate a list of sites that are historically difficult for employees to take breaks and determine compensation on a case-by-case basis. The Company shall have the right to verify any missed breaks.

15.03 Employees will remain on the work site at all times during the meal periods and rest periods.

15.04 If an employee is required to work beyond the completion of an eight (8) hour shift, then the employee will be entitled to a fifteen (15) minute rest period with pay, providing the time worked is in excess of two (2) hours or more.

15.05 Employees who work four (4) hours or more, but less than five (5) hours, shall receive one (1) fifteen (15) minute rest period with pay.

15.06 Employees who work five (5) hours or more, but less than seven (7) hours, shall have the option to receive one (1) thirty (30) minute meal period, with pay, or two (2) fifteen (15) minute rest periods with pay.

ARTICLE 16 **OVERTIME**

16.01 All time worked in excess of eight (8) hours in any one shift or in excess of forty (40) hours in any one calendar week shall be paid at the rate of time and one-half (1.5x) for all hours beyond the regularly scheduled day or week unless otherwise provided for by an averaged work schedule.

16.02 When an employee, after returning to his residence, is recalled to work after completing a normally scheduled shift, all time worked shall be paid at double (2x) his or her regular rate of pay.

16.03 **No Compensating Time Off**

Compensating time off shall not be given in lieu of overtime pay.

16.04 **Reporting Pay**

Unless the officer has been notified beforehand not to report to work, an employee reporting for work at his scheduled starting time shall be paid for his entire shift. Officers working at temporary sites who report for work will receive a minimum of four (4) hours.

16.05 **Meal Period with Pay**

Any security officer required to work overtime beyond his scheduled hours of work in any one day and who works a minimum of two (2) hours overtime, shall, in addition to the required hourly rate of pay be automatically paid out a ten (\$10.00) dollar meal allowance for said circumstances.

16.06 **Overtime Voluntary**

Overtime shall be voluntary and by mutual agreement between the employees with the most senior employee on the shift at that site who is able to do the job being requested first if he or she wishes to work the overtime and thereafter in decreasing order of seniority. If no employee volunteers to work the required overtime, the Company will request those officers that have received training on any specific site to work the required overtime. If no security officer that has been trained on a site is available, then the most junior officer currently assigned to said site will be required to work said overtime. If none of the above noted employees can be located to work the overtime, then the Company will have the right to fill such overtime shifts at its discretion.

16.07 If an employee is absent from work due to his booking off for any reason other than for authorized leaves of absence, such time off will not be counted as time worked for purposes of calculating overtime payment during that current pay period.

16.08 Where employees mutually agree to an exchange of shift(s) they can only do so if they have obtained prior Company approval in writing and only if such exchange of shift(s) does not result in the Company incurring additional overtime costs.

ARTICLE 17 POSTING OF WORK SCHEDULE

17.01 The schedule of hours of work for each job site shall be posted in an appropriate place, if such a place exists on the work site, fourteen (14) days in advance for a four-week period. In respect to sites where the schedule is not posted, a copy shall be available to each officer on the Company's website or can be **emailed or** mailed upon employee request for those who have no internet access.

Each employee shall be responsible to check his posted schedule on a regular basis to confirm his shifts and become aware of any schedule changes. No employee shall be responsible for missing a shift if the scheduling change was posted after he left the site and this change was not acknowledged or confirmed by the affected employee.

Employees who work on a temporary work site shall be informed of their schedule as required. Temporary site schedules shall be provided in writing to the officer and providing they are to exceed seventy-two (72) hours in length.

17.02 The Company will advise the Union **by email** within ten (10) days or as soon as operationally possible but in any event, within 48 hours notice given by the client, and prior to the implementation of any major changes to work schedules. Major changes in the work schedule will include anything other than relief changes.

ARTICLE 18 EMPLOYEES' RECORD OF TIME WORKED AND PAY DAY

18.01 To ensure that employees receive credit for all hours they have been assigned to work and to minimize errors in pay, the Company and Union agree to the following procedures:

- (a) All employees will "book on" and "book off" through the Company Central Dispatch on each work shift.
- (b) All employees commencing a shift at a work site, must "book on" from the site by calling the Company Control Centre at least 10 minutes before the commencement of his/her shift. If unable to reach the Control Centre within ten (10) minutes the employee shall notify the "live" operator using the telephone number provided by the Company.

All employees must “book off” from the site no sooner than the end of their scheduled shift and only from the site and no other location.

An electronic pay stub indicating all deductions made from the employee's paycheck and the employee's seniority date, will be available to the employee on the Company's website or Desjardins' website as well as in hard copy format by individual request.
