President's Message

Dear Member,

A union collective agreement is like a Charter of Rights. It explains, protects and guarantees your rights on the job. It stipulates the wages you must be paid, the benefits you must receive. It puts down on paper your right to dignity and respect at work.

It is important that you know your rights, the wages and benefits you are entitled to receive. Please take the time to read through this agreement. If you have any questions about it, talk to a shop steward in your workplace or phone your full-time union representative. They are also the people to talk to if you feel the rights and benefits outlined in this document are not being provided to you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Traeger', with a stylized flourish at the end.

Jeff Traeger,
President UFCW Local 832

12.10 **Available Hours of Work**

- (a) Full-time employees will be hired for permanent shifts.
- (b) Part-time and relief employees will notify the Employer in writing of any restrictions to their availability.
- (c) Employees shall be allowed shift preference by seniority first at their work location.

- (f) Where an employee in a higher classification is offered the opportunity to fill in for an employee in a lower classification at the lower rate of pay, and refuses the offer, the employee in the higher classification will not be permitted to fill in the shift unless they agree to accept payment at the lower classification.

12.11 **Laid Off Employees Preference**

No new employee may be hired until those qualified employees on lay off who have previously demonstrated their ability to satisfactorily perform the necessary and required work of the Employer have been given the opportunity of recall.

12.12 **Change Work Locations**

An employee shall not be required to change work locations on a permanent basis except in the event of the closure of the residence, in the event of a reduction in staff, in the event of a serious conflict with a client/resident or in the event of conflict between staff members which may cause anxiety or behavior problems for the client/resident.

In the event of a contemplated permanent change of work location, a meeting shall take place to discuss such matter between the employer, the employee and the Union representative prior to the change taking place.

When an employee is required to change locations on a temporary basis the employer will give the affected employee as much notice as possible. The employer may reassign staff temporarily to other locations to cover for illness, vacation, and unexpected absences including unfilled vacancies.

12.13 **Seniority List/ Seniority Information**

ARTICLE 13 JOB POSTINGS

13.01 The Employer shall post notices of vacant positions including a description of the duties for the posted job within the bargaining unit on the bulletin board in work locations for a period of seven (7) calendar days. They will also notify casual employees and employees on leave, who have informed the **Program Manager/Financial Manager** or Designate in writing of their interest, of the posting of any vacant permanent positions at the same time. The position will be awarded within three (3) working days after the posting has been removed and the name of the successful internal applicant will be posted. That successful applicant will start in their position within two (2) weeks from the date the position was awarded. The notice shall identify the typical duties required, the qualifications and abilities necessary, the classification, wage rate, regular scheduled days of work, normal starting and quitting times and application forms which clearly state the closing date for submitting applications to the Employer.

13.02 Seniority and qualifications shall be given equal weight when making a selection for a vacant position providing the employee has the ability to perform the work required within a familiarization period of ten (10) shifts consistent with Article 13.03 herein.

Where there are no employees possessing the qualifications to perform the work, or where the Employer believes that there are no employees with the qualifications who could reasonably be expected to demonstrate the ability within the familiarization period, the Employer may post the position externally and select an external candidate.

Should an employee challenge a selection or external posting made by the Employer under this Article, then the selection justification or external posting factors shall be provided to the Union upon request if such request is presented within seven (7) calendar days of the selection or external posting, as the case may be.

13.03 **For support staff, if within ten (10) shifts worked or one (1) calendar month, whichever is the shortest, counted from the date the employee commenced work in their new position, they prove (in the opinion of management) to be unsatisfactory or if they request to return to their former position, the employee shall be returned to their former position and their appropriate rate of pay without loss of seniority. Any other employee affected shall also be returned to their former position and appropriate rate of pay without loss of seniority and without any notice. Any employee who requests a return to their former position shall not be eligible to apply for the same or similar position for a period of one (1) year following their return to their former position.**

For staff who accept a promotion to coordinator, or coordinators who accept a new position, if within ninety (90) days counted from the date the employee commenced work in their new position, they prove (in the opinion of management) to be unsatisfactory or if they request to return to their former position, the employee shall be returned to their former position and their appropriate rate of pay without loss of seniority. Any other employee affected shall also be returned to their former position and appropriate rate of pay without loss of seniority and without any notice. Any employee who requests a return to their former position, shall not be eligible to apply for the same or similar position for a period of one (1) year following their return to their former position.

13.04 Temporary positions of less than eight (8) consecutive weeks, will be filled in accordance with Article 12.10: Available Hours of Work.

Temporary positions of eight (8) consecutive weeks or more which are the result of an employee being on an approved leave of absence, sick or disabled shall be posted in accordance with Article 13.01 above and identified as temporary nature. When the temporary position is over, the employee shall return to their former position and appropriate rate of pay. Any subsequent temporary vacancy that results in this type of posting need not be posted but it is understood that at the end of the temporary vacancy period all employees will revert back to their original positions and appropriate rate of pay.

13.05 In the event that the Employer wishes to make changes to the qualifications required for any classification in the bargaining unit, or the Employer adds a new classification, and with it new qualifications, the Employer agrees to advise the Union. Should the Union have any concerns with respect to the reasonableness of the qualifications for any classification, the Union shall, within thirty (30) days of receipt of the information from the Employer, provide such concerns in writing to the Employer.

The parties shall meet to attempt to resolve the areas of concern. Should the parties fail to resolve the concerns, the Union reserves the right to refer the matter to a single arbitrator as outlined in this Agreement on the basis of the "reasonableness" of the required qualifications in dispute.

ARTICLE 14 TRAINING

14.01 The Employer shall assist, when feasible, in the professional development of employees. Employees agree to participate in training provided by the Employer.

14.02 Training

Where the Employer directs an employee to attend a conference, workshop or seminar, the employee shall suffer no loss of regular pay for his or her attendance. If an employee is required to attend a conference, workshop or seminar during their day off, they will receive payment for such attendance as if they were at work. Reasonable meal expenses will be paid up to **sixty (\$60.00) dollars per day**—upon

providing receipts **and** provided the Employee is on Employer business for each meal included in the daily average. Employees voluntarily attending the Disability and Community Support (DCS) training would not be covered under this Article.

14.03 **Future Mandatory Training**

If the Government legislates or regulates mandatory changes to the training requirements for Rolling Dale Enterprises employees, employees requiring certain certificates or academic standings will receive such training and the Employer agrees to pay for all expenses associated with such training and education. A reasonable amount of time will be allowed to each employee to obtain such required academic standing or certifications. An employee who fails to attend mandatory training without an explanation satisfactory to the Employer may be disciplined up to and including termination from the employ of the Employer.

Each new employee will receive a minimum of twenty (20) hours training/familiarization. Such training/familiarization shall occur on the basis of fifteen (15) hours in Residential and five (5) hours in Day Program for employees hired for Residential, and five (5) hours in Residential and fifteen (15) hours in Day Program for employees hired for Day Program. Regular employees who have expressed their desire in writing to occasionally work overtime at specific locations will receive ten (10) hours training/familiarization at those locations as required by the Employer (the Employer may determine that a regular employee may not require a full ten (10) hours of training/familiarization at some locations). It is understood that the training/familiarization hours are with pay. During training an employee will not be solely responsible for any supported individuals, and shall be on duty primarily for training purposes. Employees who have never worked a shift in any particular residence may not work that shift alone the first time they are placed on that shift without having a person orient them about expectations at the beginning of the shift. Employees who have never worked a night shift will not work that shift alone without receiving proper orientation which will include:

- Waking techniques for supported individuals;
- Medication training for supported individuals who require same;
- Understanding “Emergency Call In Procedures”

15.01 The regular hours of work shall not exceed an average of eighty (80) hours bi-weekly except when an employee goes on vacation/day trip with a resident/client.

15.02 It is understood that the regular bi-weekly hours of work do not apply where an employee acts as a companion to a resident/client who goes on a vacation/day trip outside of the Employer's premises. The employee shall be compensated for sixteen (16) hours regular pay for each full day of the resident's vacation/day trip. The overtime provisions of this Agreement shall not apply.

15.03 **Reporting Pay/Call-In Pay**

No employee shall be scheduled or called in to work a shift for less than three (3) hours unless the employee voluntarily agrees to leave work earlier than the three (3) hours.

15.04 **Emergency Call-in**

Any employee called in to deal with an emergency will be paid for time worked but in no event less than three (3) hours pay at his or her appropriate hourly rate of pay and shall be able to leave when the emergency is over. If the time called in for such emergency results in the employee working more than eight (8) hours in a day or more than eighty (80) hours in a bi-weekly period, said employees will be paid for that time at the overtime rates of pay.

15.05 **Adverse Weather Policy**

Bumping Protocol

1. Bumping process will be implemented only if a position held by a unionized employee of Rolling Dale Enterprises Inc. is eliminated.
2. If a position is to be eliminated, Rolling Dale Enterprises Inc. will notify each location by memo, after notifying affected employees, which position is to be eliminated and the hire date of the person/s (not the name of the person/s) who currently hold that position.
3. Bumping is to be done strictly by seniority.
4. In the case of closure of either a residence or a Day Program, administration will hold a general information/question meeting for employees of Rolling Dale Enterprises Inc.
5. An employee whose position has been eliminated or has been bumped from a position they are currently in will be given a list of all positions held by employees with less seniority than themselves. Support staff may not bump Coordinators.
6. In the event an eliminated position is held by an employee with less seniority than all other employees that currently hold positions within Rolling Dale Enterprises Inc., the employee will be given the choice of either being laid off or put on the casual list.
7. Employees will be given 48 hours from the time of notice by administration, to decide which position they will bump into. Should the employee not respond within 48 hours, Rolling Dale Enterprises Inc. will recognize that the employee has chosen either to resign or move onto the casual list.
8. Employees must notify the **Program Manager/Financial Manager** in writing of their decision to bump into a position. Administration will then notify affected employees by phone with a letter to follow.
9. After bumping into a position, employees either can remain in that position, can move to casual, or resign (only an employee who has no position to bump into or is not qualified for a position can be laid off).
10. If, within the first 10 working shifts of starting into a bumped position, an employee chooses to move to casual or resign, the person originally bumped from the position will be reinstated as soon as scheduling permits (all employees affected will return to their original positions).

11. Notification of bumping of employees who are on vacation, sick leave or statutory leave: Administration will notify employees on extended sick leave or maternity/parental leave/compassionate care leave by phone that they are bumped and they will have 48 hours to decide whether they will bump someone else, go to casual, or resign. If an employee is on vacation when they are bumped, the bumping process will be put on hold until that employee returns to work and is notified of the bump, although the employee bumping can train and start into that position.
12. Employees are NOT to contact other employees at home or at work regarding the bumping process. Any questions employees may have must be directed to the **Program Manager/Financial Manager**. This will help to eliminate rumors gossip, and misunderstandings.

APPENDIX “D”

Restructuring/Change of Hours Protocol

1. This process will be implemented only if the hours in a permanent support staff position held by a unionized employee of Rolling Dale Enterprises Inc. are changed. Management has the right to change the hours of a Coordinator position without restructuring, as long as all affected parties are in agreement
2. If a position is to be changed, Rolling Dale Enterprises Inc. will notify each affected employee at the affected location in a meeting or by memo, which position(s) are to be changed. At this time all employees who hold a permanent position in the affected location will have the opportunity to choose the position they wish to fill.
3. Choosing of position is to be done strictly by seniority until there are no positions left to fill in that work location.
4. In the choosing process, should a senior employee opt to skip their turn choosing, choosing will continue by seniority until all positions are filled.
5. Employees will be given 48 hours from the time of notice by administration, to decide which position they will choose. Should the employee not respond to the **Program Manager/Financial Manager** in writing within 48 hours, Rolling Dale Enterprises Inc. will recognize that the employee has chosen to move to casual or resign.
6. Employees must notify the **Program Manager/Financial Manager** in writing of their position choice. Administration will then notify affected employees by phone with a letter to follow.
7. After choosing a position, employees either remain in that position, can move to casual, or resign.
8. Notification of employees who are on vacation, sick leave or statutory leave: Administration will notify employees on extended sick leave or maternity/parental leave/compassionate care leave of the restructuring by phone and they will then have 48 hours to decide what position they will choose within their work location. The employee on sick or maternity/parental/compassionate care leave must contact the **Program Manager/Financial Manager** by phone with their choice, with a letter in writing to follow thereafter. If an employee is on vacation during this process, the process will be put on hold until that employee returns to work and is notified.
9. Employees who, at the end of restructuring, are left without a permanent position are entitled to bump into another position at another work location. Please see the bumping protocol for more information.

10. In the case of concurrent restructuring at more than one work location, restructuring at all affected locations must occur first before the bumping begins. At this time all employees entitled to a bump will be contacted by seniority to choose the position they wish to bump into. The bumping protocol will be followed.
11. Employees are NOT to contact other employees at home or at work regarding the bumping process. Any questions employees may have must be directed to the **Program Manager/Financial Manager**. This will help to eliminate rumors gossip, and misunderstandings.
