COOPERATIVE**

FROM: April 1, 2021
TO: March 31, 2026

President's Message

Dear Member,

A union collective agreement is like a Charter of Rights. It explains, protects and guarantees your rights on the job. It stipulates the wages you must be paid, the benefits you must receive. It puts down on paper your right to dignity and respect at work.

It is important that you know your rights, the wages and benefits you are entitled to receive. Please take the time to read through this agreement. If you have any questions about it, talk to a shop steward in your workplace or phone your full-time union representative. They are also the people to talk to if you feel the rights and benefits outlined in this document are not being provided to you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Traeger', with a stylized flourish at the end.

Jeff Traeger,
President UFCW Local 832

7.02 The Company agrees that during the term of this Agreement it will not lock out any employee or lock out any employee in the guise of suspension of operations.

ARTICLE 8 DISCIPLINE/DISCHARGE

8.01 In the event a non-probationary employee claims **they have** been disciplined without just cause by termination, suspension, written discipline or in the case of harassment, discrimination or absenteeism, the non-probationary employee shall submit a written grievance at Step 2 of the grievance procedure within fourteen (14) days after being notified by the Company of **their** discipline.

8.02 The parties agree that this Article 8 does not apply in the event of the discharge for any reason whatsoever of a probationary employee as referred to in Article 3.08.

8.03 Any non-probationary employee who wishes to challenge **their** dismissal must grieve.

- 8.04
- (a) Unless immediate removal of an employee is required from the workplace because the employee is a danger to **themselves**, the workplace or others, the employee shall be entitled prior to the imposition of any letter of concern or written discipline or discharge, to be notified at a meeting with management for the reasons for discipline being considered. Unless the employee indicates otherwise in the presence of **their** full-time Union Representative or Shop Steward, that employee shall be accompanied by **their** full-time Union Representative (if present) and/or the Shop Steward of the affected employee's choice. The date, time and location of this meeting shall be arranged for at a mutually agreeable time between the Company and the Union. If a mutually convenient time cannot be arranged, a time will be scheduled with the Union Representative.
 - (b) Immediately prior to a discipline meeting, the employee and the shop steward will have the opportunity to speak for five (5) minutes in private. The employee shall be notified in writing and at a meeting with **their** immediate Supervisor or designate of the grounds for any written discipline or discharge. The employee and the Union Representative or Shop Steward shall have an opportunity at said meeting to present the employee's version of events or any other relevant information.

The Shop Steward shall receive a copy at said meeting and the Union Representative (if not present at the meeting) shall receive a copy of any written discipline or discharge via fax or email within twenty-four (24) hours of issuance, or at the end of the following business day in the event that discipline is issued after hours or on a weekend.
 - (c) The Company shall provide the employee with any warning or adverse report. This includes any non-disciplinary letters that are placed in the employee's personnel file. Any reply by the employee shall become part of **their** record. The record of any adverse report or disciplinary action involving a written warning, shall neither be referred to nor used against an employee at any time after twelve (12) calendar months following such written warning, except in the case of a similar reoccurrence. The record of any adverse report or disciplinary action involving a suspension of three (3) days or less, shall neither be referred to nor used against an employee at any time after eighteen (18) calendar months following such suspension, or at any time after thirty-six (36) calendar months in the event of a suspension of more than three (3) days, except in the case of a similar reoccurrence within eighteen (18) or thirty-six (36) months of the event.

- (d) Upon written request to the Company, but no more than once (1x) per calendar year, an employee shall be given an exact copy of all documents on the employee's file, including those documents which may be utilized to substantiate a disciplinary action against **them** and **their** reply to any such document shall also be placed in the employee file. The initial request by the employee shall include copies of all documents, and subsequent requests shall include copies of documents added to the file since the employee's last request. An employee who has reviewed **their** file within the past calendar year, but has received discipline since the date of their last review, may review their file upon written request.

8.05 The Company shall post the progressive discipline policy in an area accessible to all employees.

ARTICLE 9 SETTLEMENT OF GRIEVANCES

9.01 The Company and the Union agree that grievances should be adjusted as quickly as possible in the manner set out herein and without suspension, interruption or disruption of the normal operations of the Company.

9.02 A "grievance" shall mean a dispute concerning the interpretation, application or alleged violation of the provisions of this Agreement, or in the case of a non-probationary employee, a complaint that **they have** been disciplined or discharged without just cause.

9.03 The term "days" whenever used in this Article shall mean calendar days.

9.04 In the interest of communication and working relationships between the employees and the Company, employees are free to bring issues forward to the Company in an attempt to resolve those issues and create a harmonious working environment. If such an attempt fails and the employee chooses to file a grievance, such grievance will proceed as follows:

STEP ONE (Verbal)

Step One will be initiated within fourteen (14) days immediately following the events giving rise to the grievance. Upon initiating the grievance a meeting to discuss the matter will be held between the employee and the shop steward or the shop steward alone with the immediate supervisor or general supervisor. The immediate supervisor or general supervisor shall reply to the grievance in writing within five (5) days immediately following the day on which the aforementioned discussion occurred.

STEP TWO (Written)

Within fourteen (14) days of the decision made at Step One, the grievance shall be presented in writing by the Union to the **Human Resources Department**. The nature of the grievance, the Article or Articles of the Collective Agreement alleged to have been violated and the remedy sought shall be clearly set out in the written grievance. **The Human Resources Department** shall within seven (7) days after receipt of the written grievance at this Step Two, call a meeting of affected parties in an effort to resolve the grievance. **The Human Resources Department** shall within seven (7) days after such meeting state **their** decision in writing to the Union Representative.

If a satisfactory settlement cannot be reached at Step Two, then upon request of either party, within fourteen (14) days of receiving the Step 2 written decision by the **Human Resources Department or designate**, may request the grievance be referred to mediation through the Manitoba Department of Conciliation Services. It is also agreed by both parties that mediation is by mutual agreement. Neither party is obligated to take advantage of mediation.

STEP THREE

If a satisfactory settlement cannot be reached at Step Two, then upon request of either party, the matter may be referred to arbitration in accordance with Article 10. Such referral must be made within fourteen (14) days of receiving the decision of the **Human Resources Department** at Step Two or fourteen (14) days following mediation if this option is exercised.

9.05 It is expressly understood and agreed between the Employee and the Union that when mediation is used to resolve an issue, the mediator has no authority or powers under the terms of the Collective Agreement to impose or require the parties to accept **their** suggested settlement to the matter in dispute. All expenses and fees that may be incurred by such mediator shall be borne equally by the Company and the Union. Unless otherwise mutually agreed to between the Company and the Union, this procedure may only be used in situations where grievance mediation services are not available through the Manitoba Department of Conciliation Services.

9.06 A grievance arising directly between the Company and the Union concerning the interpretation, application or alleged violation of this Agreement shall be initiated by either the Company or the Union at Step 2 of the grievance procedure within fourteen (14) calendar days after the event or circumstance giving rise to such policy grievance. However, the provisions of this Article 9.06 must not be used by the Union to

initiate any non-policy grievance directly affecting an employee or employees who could have initiated a grievance through the regular grievance procedure.

ARTICLE 10 ARBITRATION

10.01 When a party desires that a grievance be submitted to arbitration, that party shall notify the other party of its desire to submit the matter to arbitration within fourteen (14) calendar days after the date the decision at Step 2 of the grievance procedure was or should have been given. The matter is to be submitted to a single arbitrator to be chosen in rotation from a panel consisting of:

David Marr
Blair Graham
Michael Werier
Gavin Wood

10.02 If any individual of the above panel who, having been requested in **their** turn to act as arbitrator on an arbitration, shall be unable or unwilling to act, **they** shall not again be requested to act as arbitrator on any arbitration until **their** name comes up again on the regular rotation of the panel.

10.03 The arbitrator shall not be deemed to be willing to act unless **they are** in the position to convene the hearing within twenty-eight (28) days from the date of **their** selection. In the event none of the above arbitrators is willing to convene a hearing within twenty-eight (28) days, the matter will be referred to the Manitoba Labour Board which shall appoint an arbitrator. The decision of the arbitrator shall be given within a period of twenty-one (21) days after the closing of the arbitration hearing.

10.04 The arbitrator may determine **their** own procedure but shall give full opportunity to all parties to present evidence and to make representations.

10.05 In any arbitration, the written representation of the aggrieved employee at Step 2 of the grievance procedure (or, in the case of a policy grievance, the written representations of the Union or the Company at Step 2) and the decision of the Company (or, in the case of a policy grievance, the decision of the Union) at Step 2 of the grievance procedure shall be presented to the arbitrator, and the award of the arbitrator shall be confined to the issues therein set out.

10.06 In no event shall the arbitrator alter, modify or amend any part of this Agreement, nor shall **they** have the authority to make any decisions inconsistent with the provisions hereof. The arbitrator shall have the authority, within the above limitations, to dispose of grievances in such manner as **they** may deem just in the circumstances.

10.07 The findings and decision of the arbitrator on all arbitrable questions shall be final and binding upon all parties concerned.

10.08 The Company and the Union shall each pay one-half (½) of the fees and expenses of the arbitrator.

10.09 No grievance may be submitted to arbitration which has not been properly carried through all the requisite Steps of the grievance procedure.

10.10 The time limits set out in the grievance procedure (Article 9) and the arbitration provisions (Article 10) are mandatory and may only be extended by mutual agreement in writing between the Company and the Union.

10.11 In the interest of settling a grievance prior to an arbitration hearing either party may request the assistance of a grievance mediator from the **Manitoba Labour Board**. In the event the costs of the mediator are not borne by the Province of Manitoba, the expenses and fees of the mediator shall be borne equally by the parties to the arbitration proceedings.

10.12 Grievances referred to arbitration concerning disciplinary matters and/or only affecting an individual employee shall be heard by a sole Arbitrator as herein before set out. In the sole discretion of either the Company or the Union, any policy grievance or other grievance which could potentially affect more than one employee at time of referral or in the future, shall be heard by a three (3) person panel. The chair shall be selected from one of the three individuals listed in Article 10.01 as per this article and the panel shall be completed by an appointee of the Union and an appointee of the Company. Time limits shall be followed in accordance with this article. If either the Company or the Union refer a grievance to arbitration pursuant to the expedited arbitration provisions of The Labour Relations Act, which involves a policy matter or a matter which could potentially affect more than one (1) employee, either party may request that this arbitration be heard by a three (3) person panel. In those instances, the parties agree that they shall appoint their nominees to the panel, which shall be chaired by the arbitrator elected by the Manitoba Labour Board. The parties further agree that the nominees shall be available to sit on the day set by the Manitoba Labour Board for the hearing of the matter in dispute.

ARTICLE 11 **SHOP STEWARDS**

periods, employees shall not quit work until the time their shift ends. Employees who are to be relieved for lunch periods or rest periods shall not leave their work station until a relief employee has reported to take over the work.

17.07 Overtime

All time worked in excess of eight (8) hours in any one (1) day or in excess of forty (40) hours in any calendar week shall be paid for at the rate of one and one-half (1 ½x) times the employee's regular hourly rate of pay. For employees working a ten (10) hour shift, all time worked in excess of ten (10) hours in any one (1) day or in excess of forty (40) hours in any calendar week shall be paid for at the rate of one and one-half (1½x) times the employee's regular hourly rate of pay.

17.08 Banking Overtime

The purpose of banked overtime is to offset the loss of wages due to a reduction in the regular hours of work as per Article 17.01. Banked overtime may also be used to offset loss of wages due to the employee's absence from work due to sick time, medical appointment attendance, and family responsibility leave or to extend bereavement leave. In addition an employee may utilize a maximum of five (5) days of banked overtime as paid time off work however it cannot be used in conjunction with vacation time off.

- a) Employees will be entitled to bank overtime at the rate of one and one-half (1½) hours for every one (1) hour of overtime worked.
- b) Employees may only bank overtime in the amount of sixty (60) minutes **(thirty (30) minutes at the Hatchery)** or more. Any overtime worked that is less than sixty (60) minutes **(thirty (30) minutes at the Hatchery)** shall be paid out. The maximum amount of time an employee will be allowed to bank at any one time is the equivalent of eighty (80) regular hours per calendar year. Any amount greater than eighty (80) regular hours will be paid out as it is earned.
- c) Banked overtime will be accumulated from June 1st to May 31st of each year. Any unused banked overtime will either be paid out yearly by the first pay period in June, or upon employee request the employee may choose to have any unused banked overtime deposited to their RRSP as per appendix B-11. Carry-over of banked overtime will not be allowed.
- d) Employees opting to bank overtime in lieu of payment shall be entitled to take time off from their banked overtime upon giving the Company at least two (2) weeks written notice and will be subject to

operational requirements. However, no employee shall be allowed to use banked overtime during the time period of June 1st to September 30th and December 1st to December 31st.

- e) When scheduling requested banked overtime, vacation scheduling shall take priority.
- f) Employees shall be entitled to use banked overtime for maximizing hours to a maximum of forty (40) hours per week or in blocks of one hour or more.

17.09 There shall be no pyramiding of overtime or premiums or any other benefits under this Agreement and therefore overtime will not be paid under more than one (1) provision of this Agreement. It is understood that both daily and weekly overtime shall not be paid such that the hours compensated for daily overtime shall be considered hours worked under weekly overtime (there shall not be overtime on overtime). It is understood that shift premiums shall be paid to an employee who is working overtime and would otherwise qualify for the premiums. It is further understood that shift premiums paid to an employee who is working overtime shall not be multiplied by time and a half.

17.10 It is understood that any change in shifts or days off initiated by the employees themselves and submitted in writing (which must be approved in advance by the Company) shall not result in overtime or any other supplementary costs to the Company.

17.11 **Meal Allowance During Overtime**

An employee who has not been notified prior to the commencement of **their** regular shift that **they are** required to work overtime and does work more than two and one-half (2½) hours in addition to and immediately following said employee's normal work period of eight (8) hours that day shall be provided with a hot meal or a meal allowance of ten (\$10.00) dollars (**effective the first pay period of April 1, 2021, thirteen (\$13.00) dollars**).

This meal allowance shall also be paid to a Live Haul Driver for any trip that is two (2) hours or more one way from the town of Blumenort.

17.12 When there is a cancellation of production work, and employees are not required to report to work, the Company shall endeavour to notify employees as early as possible in advance of the employee's scheduled starting time. An employee who is required to report for work on any given day and who does report for work at **their** scheduled starting time and who has not been notified in person by **their** supervisor in advance not to report for work shall receive at least four (4) hours' pay at **their** regular rate of pay for that day provided said employee performs the work, if any, that may be assigned to him or her that day. This Article shall not apply where the lack of work is due

to fire, flood, explosion, bombing, power failure, act of God or other conditions beyond the control of the Company. To qualify for payment under this Article, each employee must have **their** current address and telephone number on file with the Company. If an employee is absent from work for one (1) week or more due to banked overtime or vacation, it is **their** responsibility to call in regarding the starting time for the next day's shift. In cases where an employee is absent and their shift is changed in accordance with Article 17.02, it is the Company's responsibility to call the employee regarding their new starting time.

17.13 Overtime will be offered first to employees in the work area within the department where overtime is needed, by seniority from among qualified volunteers.

Overtime is recognized as being voluntary and offered in order of seniority, but if there are insufficient qualified volunteers immediately available to do the required work, then the Company reserves the right to require employees to work the overtime. Such overtime will be assigned on a reversed seniority basis to the most junior non-probationary employee immediately available and qualified to perform the overtime, and who is currently working in the area where the overtime is required. Any employee who is required to work overtime in accordance with the above shall be notified of the required overtime before such employees last rest period of **their** regular shift. Management shall not unreasonably deny an employee's request to be excused from overtime if that employee has a compelling personal reason for not working the required overtime.

17.14 The words "regular rate of pay" whenever used in this Agreement shall mean at any time with respect to any employee that straight time rate of pay per hour, exclusive of any and all premium pay, to which such employee is entitled under the terms of this Agreement in respect of the work which **they are** performing at such time.

17.15 It is understood that where an employee is assigned overtime work in a lower paying classification than **their** regular classification, overtime will be paid for at the employee's regular rate of pay.

17.16 Each employee is required to notify the Company via their dedicated sick line telephone, email or text message number one-half (1/2) hour prior to the start of **their** scheduled work period if **they are** going to be absent for any reason, indicating the reason for the absence and the probable length of the absence. Failure to notify the Company or late notification will result in the absence being treated as unauthorized absenteeism. This is not applicable to employees who have provided the Company with a medical note identifying the days that they are unable to work.

17.17 **Premiums**

Evening Shift Premium

An employee who is required to work and does work on any shift where the majority of hours fall between the times of 4:30 p.m. and 5:00 a.m. the following day, will be paid the evening shift premium of seventy-five (75¢) cents per hour, in addition to **their** regular hourly rate of pay for their entire shift. Shift premiums shall be paid on overtime hours but shall not be at time and one-half.

Night Shift Premium

Employees who work on a night shift will be paid a night shift premium of one (\$1.00) dollar per hour, in addition to **their** regular hourly rate of pay for their entire shift. In order to qualify for the night shift premium an employee must start work at 9 pm or later. Shift premiums shall be paid on overtime hours but shall not be at time and one-half.

17.18 All time clocks within the plant, including those in the lunchrooms, kronos stations, and employee change areas shall be kept synchronized at all times.

Weekend Premiums

17.19 Employees who work on Saturday or Sunday will be paid, for all straight time hours worked on that Saturday or Sunday, a weekend shift premium of seventy-five (75¢) cents per hour, **(effective April 1,2021, one (\$1.00) dollar per hour)**, in addition to **their** regular hourly rate. This "Weekend Premium" shall not be pyramided with any other premium and for greater clarity is not to be added to the employee's wage rate for the purpose of calculating the overtime wage rate should any employee work on a Saturday or Sunday when their daily or weekly hours of work make them eligible to receive an overtime premium. Should that situation arise, the employee shall be paid at an overtime rate of pay of one and a half times **their** regular hourly rate (which applies Monday through Friday) and this "Weekend Premium" shall not apply.

A **Hatchery** employee who works on a Sunday shall be paid the Sunday premium of two (\$2.00) dollars per hour in addition to their regular hourly rate of pay for all such hours worked. Said premium will not be pyramided to any other premium.

17.20 **Hatchery Alarm Calls**

- (a) Employees who are qualified and volunteer to receive and respond to hatchery alarm calls from the Company's security provider will be responsible for remotely monitoring the operations of setters and hatchers and the overall environment; taking corrective actions where required which first (1st) must be attempted remotely and if

not successful will require the employee to immediately visit the hatchery facility. Other duties will include monitoring for other equipment malfunctioning; fumigation of the hatchers in preparation for the coming week's operations, and additional duties as assigned that are within the scope of the bargaining unit.

- (b) On-call responsibilities will be scheduled on a weekly rotational basis and said schedule will be posted at least one (1) month in advance with the understanding that the schedule may change due to unforeseen circumstances that are out of the Company's control.

Each rotation shift will be from Monday at 3:30 p.m. to Monday 6:00 a.m. of the following week and includes evenings, weekends and holidays. Rotation shifts may be performed by bargaining unit employees in the event that non-bargaining unit employees are not available to perform the work, or in the event that bargaining unit personnel are part of the on-call rotation group to provide rotation relief to non-bargaining unit employees. The composition of the on-call rotation group is at the discretion of management.

- (c) Employees who are scheduled to be on-call will be paid two hundred (\$200.00) dollar premium for each rotation shift regardless whether they are required to make an on-site visit or take and respond to an alarm call from the security provider regarding hatchery operations.
- (d) Employees who are scheduled to be on-call will also receive a minimum of three (3) hours pay at one and one half ($1\frac{1}{2} \times$) times their regular rate of pay each time they are required to work on-site. Employees who work more than the three (3) hours on any on-site visit will be paid for all time worked at one and one half ($1\frac{1}{2} \times$) times their regular rate of pay.
- (e) Employees who are required to make on-site visits will be reimbursed for mileage at a rate consistent with Government of Canada Revenue Agency current guidelines.

17.21

Hatchery Training Premium

An employee who is required by management to train another employee will be paid a premium of sixty-five (65¢) cents an hour for all time training that employee. Said premium will not be pyramided to any other premium pay.

ARTICLE 18 MEETING ATTENDANCE

18.01 When the Company requires an employee to be present at a meeting called by the Company, time spent at such meeting shall be considered as time worked.

18.02 Any employee who attends a meeting, which is compulsory, outside of **their** assigned working hours, shall be paid a minimum of four (4) hours' pay at the appropriate hourly rates of pay.

ARTICLE 19 VACATIONS

19.01 The vacation year shall be from January 1st to December 31st. Entitlement to annual vacation with pay is based on the employee's anniversary date of most recent employment. Employees shall receive vacation pay in the amount equal to the following percentage paid each week into a vacation fund. The entitlement will be as follows:

- (a) two (2) weeks (ten (10) working days) after one (1) year of employment from their date of hire, with pay, for the two (2) weeks in an amount equal to four (4%) percent of regular earnings in the immediately preceding twelve (12) months;
- (b) three (3) weeks (fifteen (15) working days) after five (5) years of employment from their date of hire, with pay, for the three (3) weeks in an amount equal to six (6%) percent of regular earnings in the immediately preceding twelve (12) months;
- (c) four (4) weeks (twenty (20) working days) after nine (9) years of employment from their date of hire, with pay, for the four (4) weeks in an amount equal to eight (8%) percent of regular earnings in the immediately preceding twelve (12) months;
- (d) five (5) weeks (twenty-five (25) working days) after eighteen (18) years of employment from their date of hire, with pay, for the five (5) weeks in an amount equal to ten (10%) percent of regular earnings in the immediately preceding twelve (12) months.
- (e) six (6) weeks (thirty (30) working days) after twenty-five (25) years or more of employment from their date of hire, with pay, for the six (6) weeks in an amount equal to twelve (12%) percent of regular earnings in the immediately preceding twelve (12) months.

In all cases regular employees may use an accumulated hourly total of 2080 hours less their accrued vacation entitlement for purposes of calculating vacation pay. If an employee works less than 2080 regular hours minus their vacation entitlement,

overtime hours will be used to calculate vacation pay to a maximum of 2080 hours less their vacation entitlement.

Vacation pay will be calculated using the following formula:

$$\begin{array}{r} \text{[Total Paid Regular Hours + Total Paid Overtime Hours (to a maximum of 2080)]} - \\ \text{Employee Vacation Entitlement in Hours} \\ \times \\ \text{Employee Regular Hourly Rate of Pay} \\ \times \\ \text{Employee Vacation Pay Rate Percentage} \end{array}$$

For the above noted calculation, it is understood that the regular and overtime hours used for the calculation shall include all premiums that **they are** entitled to, specifically the Shift, Night Shift (Sanitation), Weekend and Service Premium.

This amendment will not result in an employee losing any previously accumulated vacation time entitlement.

In the event that an employee is away from work and has not earned sufficient vacation pay to cover the full vacation time of entitlement, the employee will still be entitled to take the vacation time off as noted above.

19.02 The vacation pay will be paid out to the employee at the time that the employee takes **their** vacation time. Any vacation pay remaining at the end of December of the following year will be paid out to the employee in the last pay period of December.

19.03 Vacation time must be taken annually within twelve (12) months of being earned and may not be accumulated from year to year without the written approval of the Company. An employee entitled to three (3) weeks' vacation or more shall be entitled to carry over any part of or all their vacation credits which shall be taken before the end of April each year.

19.04 If one (1) or more of the holidays observed by the Company pursuant to Article **20.01** occurs during an employee's vacation, such holiday(s) will be added to the beginning or the end of the employee's vacation as determined by the Employee or, at the Employee's discretion, will be allowed to be taken at another time, if the vacation is outside of the prime time vacation period of June 1st to the Tuesday following Thanksgiving. If the employee decides that the additional day(s) is to be taken at a later time then it will be taken at a time mutually agreed to by the employee and **their** immediate supervisor but within sixty (60) working days after the end of the vacation period. If mutual agreement is not achieved, the Company will pay the employee for the day not taken. If one (1) or more of the holidays observed by the Company pursuant to Article **20.01** occurs during an employee's vacation within the prime time period, such

holiday(s) will be added to the beginning or the end of the employee's vacation as determined by the Company or, at the Company's discretion, will be allowed to be taken at another time.

19.05 Each employee shall be granted and shall take **their** vacation during the yearly vacation period and preference in the selection of vacation dates will be granted to employees on the basis of seniority within a department and classification. Vacation dates may only be changed where the Company and the employee mutually agree to a vacation date change.

19.06 By January 15th of each year, the Supervisors will commence meeting with employees in order of seniority for the purpose of having the employee select **their** preferred vacation time. This process of vacation selection will be completed by March 1st of each year. Blackout periods will be three (3) weeks before Thanksgiving and three (3) weeks before Christmas. Vacation requests may, however, be considered by the Company during the blackout period. ***Vacation requests during blackout periods will be approved on the same basis as regular vacation requests.***

By March 31st of each year, the approved vacation schedule will be posted by employee name and will remain posted. It is understood, however, that the final right to determine the scheduling of all vacations is exclusively reserved to the Company to ensure the efficient and orderly operation of the plant. Any other vacation request submitted after the above vacations have been finalized will be made in writing and confirmed in writing within two (2) weeks of the request and will be granted on a first come first serve basis. The Company will update the posted approved vacation schedule showing changes to the schedule every three (3) months. In addition the schedule for the previous year of vacation will remain posted until the end of April of the following year.

Employees may book vacation for January, February or March of the following year by submitting their request by September 1st in writing to their Supervisor. The requested vacation dates will be approved on the basis of seniority for those submitted by September 1st and thereafter on a first come first served basis.

19.07 All vacation requests for full weeks of vacation will be given priority over requests for personal leaves of absence, banked overtime and single day vacations.

19.08 Employees, at their discretion, may take single days as vacation instead of taking one (1) full week. **Single days may be granted if those requests do not interfere with the Cooperatives' ability to grant full weeks of vacation.** Employees with vacation entitlement in excess of three (3) weeks may be required to split their vacation period and take the fourth (4th) and/or fifth (5th) week of vacation at some other time as determined by the employee.

ARTICLE 26 TECHNOLOGICAL CHANGE

26.01 The Union recognizes that the Company, consistent with management rights, has the right to introduce into its operations or business technological changes as defined in the Labour Relations Act (Manitoba). Where such changes proposed to be introduced will likely affect the security of employment of a significant number of non-probationary employees in terms of potentially resulting in a significant number of terminations or layoffs of such employees, then the Company will give the Union as much prior notice of the technological change as is possible.

26.02 Upon such notice being given the Company will consult with the Union with a view to developing programs for the retraining and rehabilitation of employees in the performance of new skills in order to limit, minimize or prevent the potential loss of employment opportunities for the affected employees.

 This Article is not restrictive of normal management rights outlined in this Agreement where:

- (a) the conditions of 26.01 above are inapplicable; or
- (b) if 26.01 is applicable, the result will not likely result in the termination or layoff of a significant number of probationary regular full-time employees.

26.03 If technological change does occur and an employee's job is changed in terms of the scope of the duties actually performed or the start and quit times have changed or the days of work have changed, then those employees will be entitled to bump by seniority into other positions in the bargaining unit as long as they are capable of performing the work and have the qualifications required.

Any available information required by the Workers Compensation Board from the Company shall be provided by the Company immediately.

ARTICLE 29 FINAL OFFER SELECTION

29.01 The Company and the Union agree to commence negotiations for the renewal of the existing Collective Agreement between them once notice has been properly given in accordance with terms of said Collective Agreement. The Company and the Union further agree to negotiate in good faith with a view to reaching agreement on a renewal of said existing Collective Agreement.

29.02 Should the Company and the Union reach an impasse in negotiations for the renewal of the above mentioned Collective Agreement, they mutually agree to extend said Agreement in its entirety and shall forego the right to strike or lockout. All outstanding matters will then be submitted to final offer selection as herein provided:

- (a) The Company and the Union shall meet and agree on which proposals remain outstanding between them within seven (7) days of the date of reaching such impasse. The final differing positions submitted to the Selector will be confined to these agreed outstanding issues.
- (b) This single Selector shall be chosen in rotation from a list consisting of:
 - Michael Werier
 - Gavin Wood
- (c) If any individual member from the above list who, having been requested in **their** turn to act as Selector, shall be unable or unwilling to act, **they** shall not again be requested to act as Selector until **their** name comes up again on the regular rotation of the list.
- (d) The Selector shall receive a written statement or brief ("Submissions") from the Company and the Union, outlining each of their respective positions on the outstanding proposals, within fourteen (14) days of **their** appointment. The Selector will also receive copies of all agreed changes. Upon receiving both Parties' Submissions the selector shall simultaneously release one copy of each party's Submissions to the opposing party.
- (e) The Selector shall only have the jurisdiction and authority to select either the entire Company position or the entire Union position as the basis for settlement of the new Agreement. The Selector shall have full jurisdiction to rule on any dispute that may arise in the application and implementation of this Article 29 and **they** may establish the procedure for the conduct of the hearing contemplated under Article 29.02 (f), except to the extent that it would conflict with the terms of this Article 29.
- (f) The Selector shall convene a meeting of both parties within thirty (30) days of **their** appointment for the purpose of hearing explanation of the final positions which have been submitted. The Selector shall give full opportunity to the parties to present evidence and argument in support of and in response to the respective positions outlined in

- the Parties' submissions.
- (g) Within ten (10) days of the meeting the Selector shall select either the entire position advanced by the Company or the entire position advanced by the Union as outlined in its respective Submission and notify the parties in writing of the selection **they have** made. The Selector's selection is final and binding on the Parties and it shall immediately become the Collective Agreement that is in force and effect between the Company and the Union. Upon receiving notice of the Selector's selection, either Party may request the Selector's written reasons for same and the Selector shall provide said written reasons within sixty (60) days.
 - (h) The Company and the Union shall each pay one-half of the fees and expenses of the Selector.
 - (i) This procedure shall terminate effective with the renewal of any Collective Agreement reached as a result of its use. It may further be renewed only by mutual agreement between the Company and the Union.

ARTICLE 31 DRIVERS

31.01 All non-probationary **Live Haul, City Delivery and Hatchery Drivers** shall be issued **appropriate uniforms including jackets for summer and winter months**. These uniforms **and jackets** shall be supplied by the Company at no cost to the employees, and the Company shall be responsible for repairing or replacing them due to normal wear and tear.

31.02 The present practice of scheduling Live Haul Drivers so that hours are maximized for Live Haul Drivers through trip assignments shall continue. Changes to the scheduling practices in the Live Haul department shall be discussed at a meeting with the Live Haul Drivers prior to implementation. Unresolved issues shall be referred to the joint Labour Management Committee for determination.

31.03 The parties realize that the nature of the Company's operation is such that last minute changes to Driver's schedules are often necessary to meet customer demands and operational needs and therefore, the Company may have to change a Driver's schedule on short or sometimes no notice. However, the Company

acknowledges it is an inconvenience to Drivers to have their schedules provided to them or changed on short notice and therefore the Company will make all reasonable and good faith efforts to provide Drivers with their schedules as far in advance as possible.

31.04 Under no circumstances will a driver be required to enter or work in a barn as part of their job duties.

ARTICLE 32 Driver Training

32.01 The Company shall ensure that all employees in the bargaining unit are provided with appropriate training so as to enable them to at all times be familiar with all facets of their job and with all equipment to be used when performing their job. All such Company initiated training shall be considered as time worked by the employee and shall be paid for in accordance with the terms and conditions contained in this Agreement. The Company shall pay all costs involved in any courses or training that is required by the Company.

32.02 Employees who have successfully completed Class 1 or 3 driver's license with air endorsement, training paid for by the Company, the employee shall remain with the Company for a minimum of two (2) years of employment after the successful completion of training. If an employee resigns their position within one (1) year of completing the training they shall repay seventy-five (75%) per cent of the cost of the training. If an employee resigns their position after twelve (12) months to eighteen (18) months of completing the training they shall repay fifty (50%) percent of the cost of training. If an employee resigns after eighteen (18) months to twenty-four (24) months of completing the training they shall repay twenty-five (25%) percent of the cost of training.

32.03 An employee who drives an overnight trip will receive a per diem rate of seventy-five (\$75.00) dollars per day, without the requirement to provide receipts to the Company.

32.04 Employees who, during the course of their shift, believe that a road they would be travelling on is unsafe due to inclement weather and who also believe that the inclement weather would prohibit them from performing their job functions in a safe manner, shall at that point in time contact management to obtain approval to cease working until such time as the road becomes safe to travel on. Such approval shall not be unreasonably denied by the Company. Under such circumstances, the employees shall be entitled to stay in a hotel or motel if such accommodation is available. The Company shall pay the full cost of any such hotel or motel expenses reasonably incurred.

In the event the employee is required to stay overnight with live product on the truck, the employee shall be required to provide the Company

approved supplement to sustain the live product for the trip, ensure the proper climate for the live product is maintained in the truck cargo area and conduct frequent visual inspections of the cargo area while the truck is waiting to resume its delivery.

In the event the employee is required to stay overnight with eggs on the truck, the employee shall be required to ensure the proper climate for the product is maintained in the truck cargo area.

Drivers who are required to ensure the proper climate for live product or eggs during an overnight stay caused by inclement weather shall be paid three (3) hours at the overtime rate in addition to all other compensation.

ARTICLE 33 DURATION OF AGREEMENT

33.01 This Agreement shall remain in full force and effect from April 1, 2021 until March 31st, 2026.

33.02 If either party desires to revise or terminate this Agreement, they will give the other party not more than ninety (90) days and not less than thirty (30) days' notice in writing prior to the expiry date of this Agreement. If notice is not given as specified above this Agreement shall automatically be renewed from year to year thereafter unless notice is given in accordance with this Article 33 during any renewal year. During the period of negotiations for a revised or new agreement, this Agreement shall remain in full force and effect subject to the provisions of the Labour Relations Act (Manitoba).

Re: Long Haul Driver Compensation for Saskatchewan Loads

This Letter of Understanding shall confirm the parties' agreement relating to the manner in which long haul drivers are to be compensated for Saskatchewan loads and shall come into effect on April 1, 2013. For all other loads, drivers will continue to be compensated in accordance with the current collective agreement.

Notwithstanding, the terms of the current collective agreement drivers shall be compensated based on a flat rate for each Saskatchewan load in accordance with the following Saskatchewan Live Haul Freight Schedule:

Farm	Miles	Time (Hrs. per trip)	Flat Rate Per Driver
Langelaar	1,172	25	\$487.50
Piro	1,172	25	\$487.50
Wiersma	1,056	23	\$448.50
Joni	1,150	23.5	\$458.25
Clark's	570	15	\$292.50
Russ W	1,112	23	\$448.50
Hillcrest	1,004	23	\$448.50
Westcoast	950	20.5	\$399.75
Callicoon	1,176	25	\$487.50
Hedegus	600	14.5	\$282.75

The flat rate per driver shall be calculated using the current straight time hourly driver rate multiplied by the hours per trip as set out above. When there is an increase to the straight time hourly driver rate, the flat rate per driver shall be adjusted to reflect such increase. When hours per trip are exceeded; drivers shall be paid at their straight time hourly rate for all excess hours.

The Company reserves the right to add to or delete Farms from the Saskatchewan Live Haul Freight Schedule.

During the life of the collective agreement, the Company agrees not to contract out Saskatchewan live haul freight so long as the above method of compensation remains in effect.

This Letter of Understanding shall terminate upon the expiration of the collective agreement unless the parties agree to its renewal.
