# President's Message

Dear Member,

A union collective agreement is like a Charter of Rights. It explains, protects and guarantees your rights on the job. It stipulates the wages you must be paid, the benefits you must receive. It puts down on paper your right to dignity and respect at work.

It is important that you know your rights, the wages and benefits you are entitled to receive. Please take the time to read through this agreement. If you have any questions about it, talk to a shop steward in your workplace or phone your full-time union representative. They are also the people to talk to if you feel the rights and benefits outlined in this document are not being provided to you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Traeger". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Jeff Traeger,  
President UFCW Local 832

## **ARTICLE 12        HOURS OF WORK**

12.01                The Union recognizes that the hours of work of the employees are directly determined by the contractual obligations between the Company and the client. Therefore, the hours of work will be as determined by the Company, but the Company will, where reasonably possible, attempt to provide full-time employees with at least forty (40) hours of work per week and will attempt, where reasonably possible, to schedule these hours by shifts not longer than eight (8) hours per shift and attempt to provide a minimum of twelve (12) hours off between shifts.

12.02                A permanent full-time employee is an employee who is scheduled to work not less than forty (40) hours per week at one or more sites.

12.03                A part-time employee is an employee who is scheduled to work less than forty (40) hours per week or is not regularly scheduled to work.

### **12.04                Averaged Work Schedule**

- (a)                An averaged work schedule shall be recognized by the Company and the Union as a schedule where the hours of work at a work site may exceed eight (8) hours per day or forty (40) hours per week but not more than eighty (80) hours biweekly unless otherwise agreed to by the Company and the Union. The Company agrees not to assign any employee to an averaged work schedule unless the employee agrees to the assignment.
  
- (b)                The Union agrees that sites that have current averaged work schedules shall be maintained providing the Union satisfies itself that a majority of employees on these sites have voluntarily agreed to same. The Company and the Union shall establish a list of present sites where hours of work are averaged, for identification purposes, consistent with the wording contained in this section. The above-mentioned list shall be reviewed and permits renewed by February 15th of each year. **On request of the Union in writing, the Company will provide the Union a list of all the sites mentioned above. The Company is not obligated to provide this information more than three (3) times per year.**

- (c) The Company agrees to consult the Union on sites proposed to be averaged or when revisions to existing averaged work schedules are required. Should an employee not wish to work on an averaged work site, when the site changes to an averaged work site, the employee will have the right to bump into another site as per Article 11.07 (b).
  - (d) The Company reserves the right to terminate an averaged work schedule if contractual conditions change or at the request of the client.
- 12.05
- (a) Where the Company is contracted to provide services without prior notification from the client, it shall be deemed to be an emergency situation or situation of urgency. In such circumstances, the Company shall have the right to average the work schedule, providing such schedule does not exceed seventy-two (72) hours in duration. The Company agrees to advise the Union of such circumstances within one (1) business day.
  - (b) In the event that the duration of the service is to exceed seventy-two (72) hours, the Company will consult within one (1) business day, with the Union on the continuation of this averaged work schedule. The Union agrees not to unreasonably withhold such request.
- 12.06
- Where the Company is contracted to provide services with prior notification from the client for a term to be defined, but not ongoing, it shall be deemed to be a temporary service contract. In such circumstances, the Company may propose a temporary averaged work schedule and consult with the Union prior to the implementation of such schedule. The Union agrees not to unreasonably withhold such request.

## **ARTICLE 13      MOVING OFFICERS**

13.01            The Union recognizes that the client has the ultimate authority to decide which officer they shall employ on their specific site and therefore exceptions may be made under Article 11.05 and 11.07, only when the Company provides the Union the specific written reasons received from the client when they request for the removal of a security officer or have denied a security officer to transfer or bump into the client's site. A request by a client to move an officer will not result in discipline to that officer, unless it is warranted.

In circumstances where the client has made a request for a change in specific personnel at their site consistent with Article 13.01 above, which results in layoff or transfer of certain employees then such request shall be complied with. The affected employee will be reassigned to another site consistent with Section 11.07.

13.03 Where the client directs the Company to remove a Security Officer (not including supervisory employees), in keeping with 13.02 above, and the removal is for non-disciplinary reasons, the Company will:

- (a) Assign the Security Officer to a site which has a vacancy and provides for the same rate of pay and hours of work.
- (b) If there are no vacancies available at the same rate of pay and hours of work, the Security Officer shall be able to exercise their seniority pursuant to Article 11.07. In this event, there shall be no reduction in the Security Officers hourly rate of pay or hours of work for the notice period as stipulated in the Employment Standards Code. Thereafter, the Security Officer's rate of pay and hours of work shall be governed by the site.

#### **ARTICLE 15 MEAL AND REST PERIODS**

15.01 A meal period, with pay, for employees working on a daily shift of seven (7) or more hours shall be thirty (30) minutes in duration and shall not start earlier than three (3) hours, nor later than five (5) hours after commencement of the employee's shift, unless the employee is required to respond or is involved in an emergency situation. Employees shall be entitled to two (2) fifteen (15) minute rest periods, with pay, for same seven (7) hour shift, which shall be taken approximately in the middle of each one-half of the shift.

15.02 It shall be the onus of the employee to take their rest periods and meal periods when possible and practical consistent with their responsibilities to the clients. Securitas management will attempt to negotiate with each client an arrangement which would allow the security officer their meal period and rest period, if

possible, away from their work station by way of replacement by one of the client's employees or by agreement to allow the officer site to be vacant during meal and rest periods. If the client is unwilling to negotiate terms as per above, only then will the officer be required to take their meal and/or rest periods at their work station at times as determined by the officer.

If an employee has difficulty taking rest and/or meal periods because of client responsibilities at any time, the employee will report these difficulties to their Branch Manager for review with the client.

If client responsibilities require that an employee interrupt a rest or meal period, the employee shall be entitled to take the remainder of the rest or meal period after the interruption or at such later time as is possible and practical.

15.03 Employees will remain on the work site at all times during the meal periods and rest periods.

15.04 If an employee is required to work beyond the completion of an eight (8) hour shift, then the employee will be entitled to a fifteen (15) minute rest period with pay, providing the time worked is in excess of two (2) hours or more.

15.05 Employees who work four (4) hours or more, but less than five (5) hours, shall receive one (1) fifteen (15) minute rest period with pay.

Overtime shall be voluntary and by mutual agreement between the employees with the most senior employee on the shift at that site who is able to do the job being requested first if they wish to work the overtime and thereafter in decreasing order of seniority. If no employee volunteers to work the required overtime, the Company will request those officers that have received training on any specific site to work the required overtime. If no security officer that has been trained on a site is available, then the most junior officer currently assigned to said site will be required to work said overtime. If none of the above noted employees can be located to work the overtime, then the Company will have the right to fill such overtime shifts at its discretion.

16.06                    If an employee is absent from work due to their booking off for any reason other than for authorized leaves of absence, such time off will not be counted as time worked for purposes of calculating overtime payment during that current pay period.

18.04 The Company is committed to early resolution of payroll disputes. If an employee believes that they were incorrectly paid, they shall immediately fill out a **pay complaint form and all other supporting documents including a paystub, copies of any submitted timesheets and any other material that may assist in resolving the pay complaint.** In the event that the employee was not paid correctly in an amount of **fifty (\$50.00)** dollars or more, the Company agrees to compensate that employee within two business days on a separate cheque. Every employee who has completed two (2) years of seniority, shall accumulate sick days with pay at the rate of four (4) hours per one hundred and sixty (160) hours worked up to a maximum of forty **eight (48)** hours.

Said sick days with pay shall be utilized when the employee is absent from work due to sickness or accident not related to work. Employees shall only be paid for hours that they would have been regularly scheduled to work on the days they were off work.

Sick day benefits commence on the second day of any sickness or accident not related to work. The Company retains the right to require an employee to provide a doctor's certificate for any leave due to illness or injury of greater than three (3) working days. The employee must provide the Company a minimum of four (4) hours' notice when calling in sick except in the event of unforeseen medical emergencies.

When an employee utilizes a sick day or days, their maximum number of days indicated above shall be reinstated based on the four (4) hour per one hundred and sixty (160) hours worked accumulation (ie: an employee who has forty (40) hours in their sick bank and takes four (4) days sick leave, would now have eight (8) hours in their bank. Upon return to work, if they complete one hundred and sixty (160) hours worked, they will have twelve (12) hours back in their sick day's bank. After an additional one hundred and sixty (160) hours worked, they will have sixteen (16) hours, etc. (based on an eight hour per sick day pay out)
