

BRAD PALLEN

If Autopac informs you that your vehicle is a write-off, call Brad Pallen at C 204.284.5664, H 204.488.1265 or email at bpallen@shaw.ca.

At no charge, Brad will attend the compound and visually inspect the vehicle. Should he feel there is an injustice in Autopac's offer, he will set up a free consultation with you explaining the Autopac regulations regarding the appraisal procedures. Should you decide to proceed, Brad will reduce his fee from \$400.00 to \$300.00 and do all the necessary paperwork with guaranteed results. He will also request a cheque in the amount of the offer from Autopac to help ensure you have some cash to purchase a newer vehicle, until the claim is settled.

Brad will also appraise your collector car for \$250.00 – a saving of \$50.00. Brad is an Accredited Appraiser and a Commissioner for Oaths in the Province of Manitoba.
