- arthritis
- carpal tunnel syndrome
- COVID-19
- cough and breathing
- counselling
- diabetes
- diarrhea
- earache
- eczema and hives
- eye infections
- family planning
- general assessment and monitoring
- gout
- headache
- heart health
- high blood pressure
- high cholesterol
- lab requisitions
- pediatrician consultation
- prescriptions and renewals
- sexual health and diseases
- skin infections and conditions
- sore throat
- specialist referrals
- stomachache
- thyroid conditions
- urinary tract infections
- yeast infection

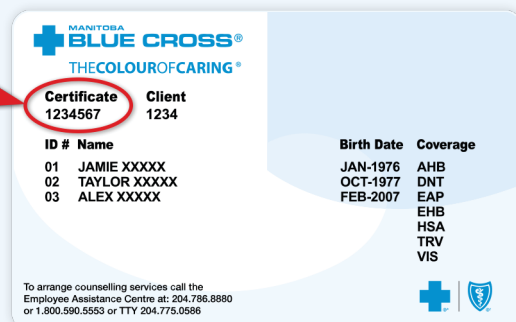

Members are also eligible to save on prescription drugs and over-the-counter products at Rexall pharmacies. Members can enroll in the discount program at no cost at gotodoctor.ca/mbbluecross.

How it works

3 easy steps

1

Book your appointment

Skip waiting in a walk-in clinic and see the doctor from home, work or a virtual clinic location.

2

Go to the doctor online

Connect to Canadian doctors through video chat or over the phone.

3

Get your prescriptions

A convenient way to get the prescriptions, referrals and requisitions you might need. Pick up the prescription at your preferred pharmacy or have it delivered.
